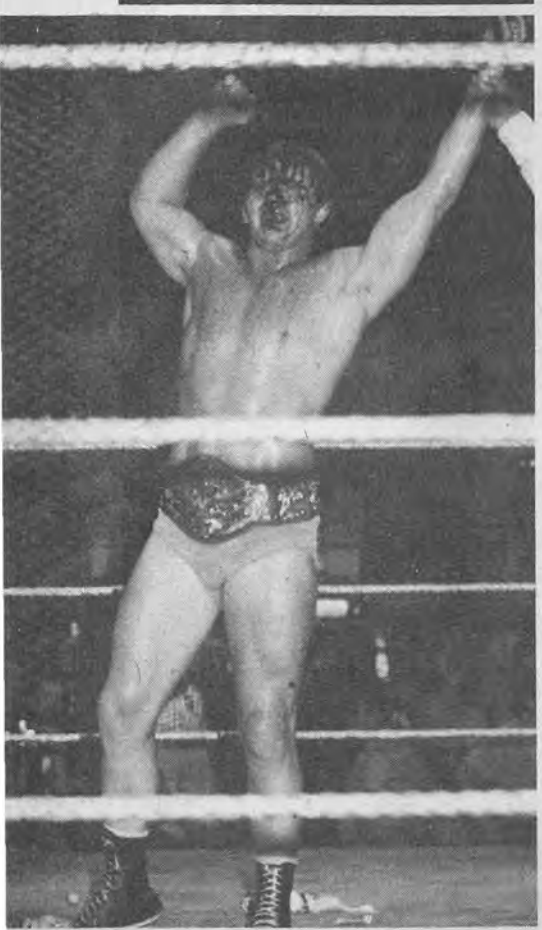
BRUNO SAMMARTINO VS BOB BACKLUND

The match that *must* be made

By ALAN KAMINSKY

Three years ago, Bruno Sammartino lost the W.W.F. heavyweight championship to Superstar Billy Graham in a very controversial match. Graham, in turn, lost the coveted belt to a then very young Bob Backlund. Since that day, Backlund has defended that golden belt against all the top challengers. All, that is, except one.



A bloodied Backlund has his hand raised in victory. Would it be raised after meeting Bruno?

Many fans are reluctant to accept Bob Backlund as the champion until he defends his title against that one remaining top contender — who is, of course, the Living Legend of Wrestling, Bruno Sammartino.

The big question, naturally, is will this match ever take place? Admittedly, there are several reasons why this bout may never occur. First, Bob Backlund and Bruno Sammartino are very good friends and, second, they both have the same manager, Arnold Skaaland.

It is doubtful that Skaaland would allow his two great proteges to square off against each other. But it is getting to the point where the pressure is almost too much to bear. Fans all across the country are demanding that this match take place.

Even though there are some arguments as to why this match may never occur, there are also some very strong indicators suggesting that this match may be only around the corner.

In the first place, Bruno Sammartino is a very proud man. He is not about to stand in anybody's shadow. Nobody ever expected Bruno to fight Larry Zbyzsko — and look at what happened. Also, just as importantly, Bruno is still considered to be the true People's Champion. Even though Backlund holds the actual title, everywhere Bruno goes, he is called "champion".

Last year, Bruno declared that he was not interested in seeking the title for a record third time. But that was last year. Now it appears that the bug has bit Bruno again. Bruno has come out of his semi-retirement and is now once again wrestling regularly.

And he's been winning regularly as well. Since he has returned to the ring, Bruno has met and defeated such archfoes as Pat Patterson, Ken Patera, Big Bobby Duncum, and his former best friend, Larry Zbyzsko. Surely, Bruno must be considered the top challenger to anyone's belt.

When Bruno was champ, he never once in almost 10 years ducked an opponent. If Bob Backlund were willing to defend his championship against Bruno, there is no reason to believe that Bruno would refuse the match. As much as Bruno admires Backlund, when it comes down to business, Bruno

Larry Zbyzsko, already demolished by Bruno on his comeback, may be the one who will replace Backlund for the summer shootout.

is afraid of no one.

This is not to say that Backlund is not a great champion. Surely he is one of the best there's ever been. Even though he has only been champion for a relatively short time, the men he has already defeated sound like a list of who's who in wrestling. Bob Backlund is beyond doubt a great wrestler, worthy of the gold belt that adorns his waist.

Bob Backlund also happens to be a very intelligent man. He knows that no matter how many matches he wins, or how hard he tries, he can never make the fans forget Bruno Sammartino. He knows he will never replace Bruno. Bruno captured the hearts of millions of fans during his decade — long reign as champion, and many of those fans will be loyal to him always.

When Bruno was in retirement, there was no pressure on Bob Backlund to even consider facing the Living Legend. But now Sammartino is back, and he's in better shape than he's ever been before, plus he has established himself as the current number one contender. Surely, Bob Backlund must be hearing Bruno's footsteps everywhere he goes.

So far, Bruno has been very patient. He has not issued any challenges to Backlund, and he always praises Backlund whenever someone asks him about the champion.

But when you've been champion for as long as Bruno has, you grow accustomed to it, and you can't help wanting to become champion just one more time. (Ask Muhammad Ali.)

If Bruno keeps wrestling — and winning — it's only a matter of time until a match between himself and the All-American Bob Backlund materializes.

Bruno Sammartino is the greatest champion who has ever lived. Given some time, Bob Backlund could become just as great. But the real question can only be answered when and if these two great combatants finally square off in center ring — in what would certainly prove to be one of the most memorable matches in the history of the sport of professional wrestling.

Who would win such a match? That is very difficult to say. Fan support seems to be evenly divided. When we posed that question to a hundred ringside fans at a recent show in the Boston Gardens, the two typical responses were "Bruno can beat anybody," and "Backlund is too quick for Bruno."

But even though the fans are not in agreement as to who would win this great match, they were in agreement that whoever won the contest would deserve to be recognized as the true champion.

Clearly, both Bruno and Bob have strong supportive followings, but if these two legendary wrestlers ever agree to step into the ring against each other, then you can toss all the fan support aside, because this would surely be a battle to the finish. There can only be one champion.

It is Bruno Sammartino or is it Bob Backlund?

We may never know..... But then again, we just may.

If Bruno and Backlund do clash, the match will take place in New York's Yankee Stadium. However, if their great friendship and regard for each other keeps them from meeting in the ring, don't be surprised if Bruno squares off against his ex-protege Larry Zbyzsko in the Bronx ball yard.

HOW THE EXPERTS WOULD CALL A BRUNO-BACKLUND MATCH:

WRESTLING REVUE recently conducted a telephone poll of wrestling experts from around the United States, to see how they would view a Bruno Sammartino vs. Bob Backlund championship match. The question we asked was simply, "If Bruno Sammartino were to face Bob Backlund in a one-fall match, what do you think the result would be?"

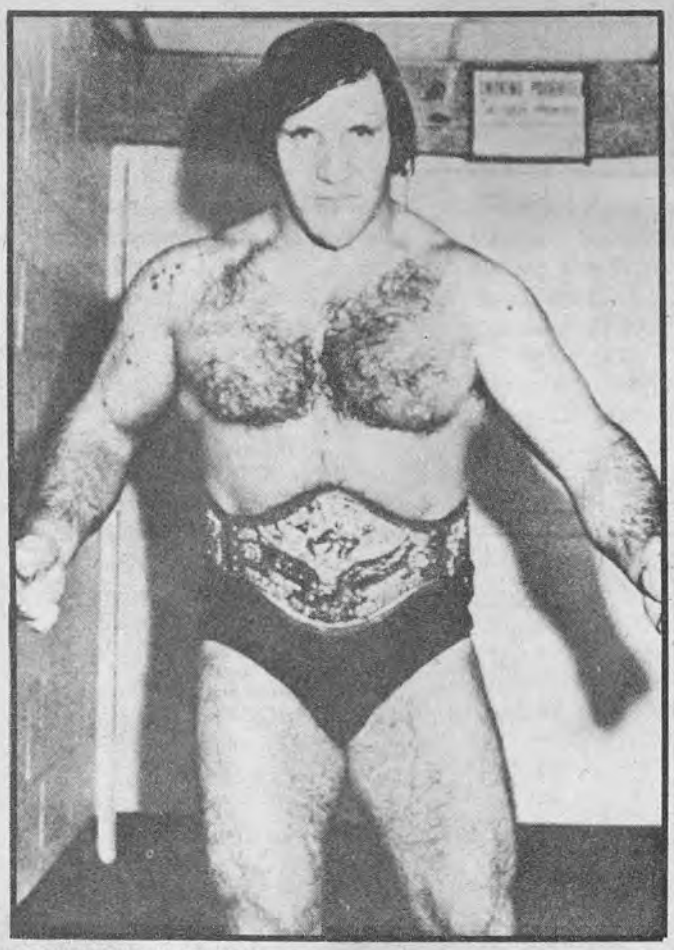
We knew you, our readers, would be very interested in the results of our poll, which are below.

MARK CHANDLER — The man who the people want most to win, would win: Bruno! Bruno has the experience. In my career as a high-powered finance executive, I have seen experience win corporate victories. There is a direct correlation to wrestling. Sammartino would whip Backlund, and take the belt.

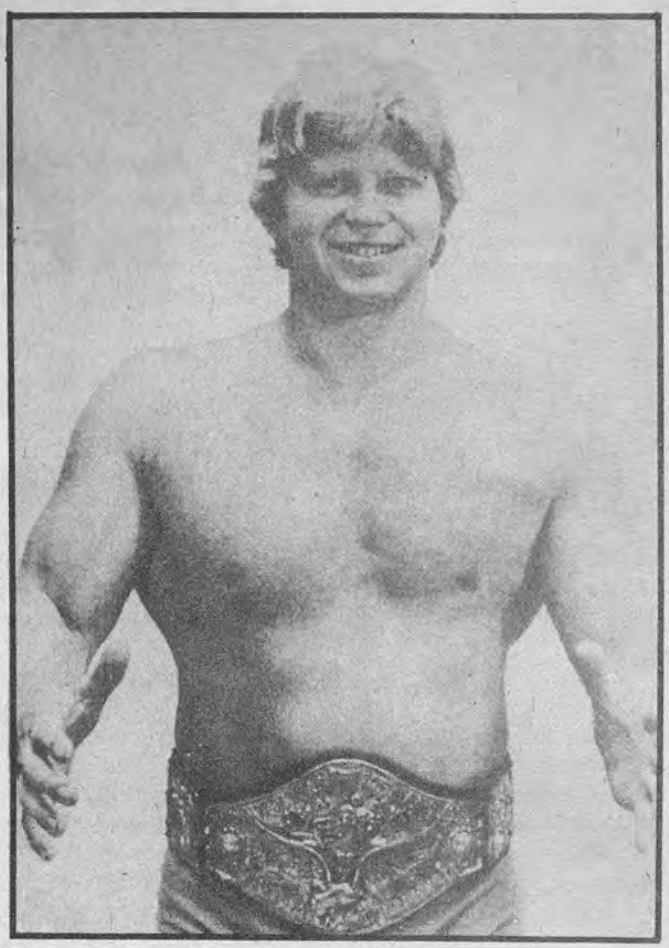
MIKE OMANSKY (*Editor WRESTLING REVUE, Publisher RASSLIN' WONDERS*) — While Backlund is a top wrestler, and has improved since he won the title, I'd have to pick Bruno. Bruno can beat anybody — and whether it were Backlund, Harley Race, or Andre the Giant, I'd go with the Living Legend.

JEFF BUKANTZ — Nobody would win: the bout would be a draw. Bruno wouldn't attack Backlund like he does the rule-breakers he normally faces. And that would make the difference. Bob is at his best in scientific wrestling, and could hold Bruno off. Of course, I don't think that anybody can really pin Sammartino, so a time-limit draw is the

Bruno was champion when he was interviewed by Vince McMahon Jr., but will he ever wear the belt again?



BRUNO SAMMARTINO



BOB BACKLUND

likely ending.

MIKE SPICER — I'd go with the man I think most people will see as the underdog, Bob Backlund. Backlund is young, hungry, and ready. I didn't say Bob would pin him — I don't think that any wrestler could. But Bob could take it on a count-out by dropkicking Bruno through the ropes.

BOB L. KING — It would be an interesting fight, with the strengths, skills, and talents making for a very — how shall I say it? — action-packed event. I would opt for the strengths and skills of Bruno over Bob, who would come on very strong but lose out to the experienced veteran who we know is the very best in wrestling in this century.

OZZIE VANNUCCI — Are kidding? Bruno!

JIM ECKER — This is a match-up many fans would love to see. That way we could have the belt right back with Bruno, where it belongs. Bruno would defeat Backlund for sure!

TROOPER DAN — Take it from the old Trooper, the winner could only be Bruno Sammartino. Bruno is the best wrestler of them all, and still no. 1 in my book. We never really lost the title, and, in my mind, never will.

DR. DOUG NEGRIN — I have run this match twice on the computer at Columbia University, utilizing random numbers to simulate holds and moves. The first time they met, it was a 60-minute draw. When I programmed the system to be "Texas Death", Bruno won with a flying body press. I thus say with authority that the winner would be Bruno Sammartino.

MARVIN DANIELS — You wanna know something? Bruno Sammartino is the best of them all. He is in superb condition, and can take anyone in wrestling. Let me tell you, Bruno would beat Bob Backlund.

LAUREN JOYCE SIMMONS — When I was a little girl, I remember watching Bruno Sammartino on T.V., and my daddy pointing, saying, "Lauren, that's Bruno Sammartino. He is the greatest wrestler that ever lived." Now that I'm older, Bruno is still the best. I don't think that Bob Backlund can cope with his power or endurance. Bob Backlund is cute, but Bruno can pin him in center ring.

STEVE MOROCCO — I would surely go with Bruno. My opinion is basically that class and experience will prevail. Bruno has the attributes — head over heels. When the smoke clears, it will be Bruno.

LARRY WALTSHOWER — Bruno, Bru-no, Bru-no! That's what the fans will chant as Bruno would toss his opponent around the ring. Bruno Sammartino's record over the past two decades speaks for itself. He is the best; he would win.

ALI-BRUNO

Your computer fight between Bruno Sammartino and Muhammad Ali was terrific. I know a lot of fans must be disappointed that Bruno lost, but he sure put up a great fight nonetheless. Ali certainly proved himself to be "the greatest", but Bruno is and always will be the one and only "Living Legend".

Rocky Finkelstein
Long Island, N.Y.

How could that washed-up Ali possibly beat Bruno? Your computer must have a short circuit or something. Bruno can take Ali any day of the week. I think you should definitely have a rematch so Bruno can show that he is the greatest. Ali was just lucky this time.

Jerold K. Minsky
New Jersey

Editor's note: We have received a tremendous amount of mail of this great computer fight. Many fans feel that Bruno should have won the match, but it's hard to argue with the decision. Since it is impossible to reverse the decision the computer came up with, we will do the next best thing....conduct a rematch. In the next issue of WRESTLING REVUE, Bruno Sammartino and Muhammad Ali will meet in a no-holds-barred Steel Cage Return Death Match. We feel, as do the fans, that Bruno deserves a rematch, and as you read this, the information is being fed into the computer. We will have the results of this great rematch for you in the next issue.

I really enjoyed reading your last issue, particularly the computed fight between Muhammad Ali and Bruno Sammartino. I have a suggestion for a match you may want to do sometime in the future. As far as I'm concerned, Dusty Rhodes is the greatest wrestler alive today. Plus Dusty himself used to be a professional boxer. Why not have a match between Dusty Rhodes and the man who beat Ali for the championship, Leon Spinks? I think it would be a terrific match because Dusty has the power and Spinks has the speed and agility.

John Nissen
Spaceville, N. Dakota

Editor's note: John, we think you have made a splendid suggestion. As soon as your idea came to our attention, we dispatched our photo editor, Dan Kaminsky, to get in touch with Leon and get his views on the matter. Dan will have a full report on the possibilities of such a match in the next issue.

Wrestling Revue photo editor Dan Kaminsky (right) talks over the possibility of a Leon Spinks-Dusty Rhodes computer fight with the former world's champion himself, Mr. Leon Spinks. Dan feels Leon may have a slight edge over Dusty if this match ever takes place.

INCREDIBLE

Wow! Your last issue was terrific! I especially enjoyed the article on the Incredible Hulk. There is no doubt in my mind that The Hulk puts the Superstar to shame. The Hulk is bigger, stronger and faster than Graham ever was or is. The Hulk will be the greatest wrestler of the 1980s, you mark my words. Bob Backlund and all the rest of those make-believe champions are in for a lot of trouble when Hulk gets his hands on them.

Pappy Weaver
New York, N.Y.

HOW COULD YOU?

This is an open letter to Larry Zbyzsko.

Larry, I used to be your biggest fan in the world. I went to all your matches and I screamed and cheered you on for five years. Even in the early years when you were first working your way up, I was always in your corner rooting you on. You were my favorite. How could you have turned on Bruno the way you did? I still can't believe you could do something so dastardly.

I hope you realize the mistake you made and go back to being a great scientific wrestler. In my heart you're still my favorite, but please go back to being a clean wrestler.

TITLE PREDICTION

I think Tony Atlas is the best wrestler to come around in a long time. I hope the promoters give him a shot at all the top contenders because he can beat them all. I want to predict right now that before this year is over, Tony Atlas will be a world's champion.

David Carlstien

NOTHING COULD BE FINER

I think it's about time that wrestling fans from the Mideast stand up and let the world know that the Carolinas area is the new wrestling capital of the United States. We have by far the greatest wrestling shows presented anywhere. Ricky Steamboat and S.D. Jones are just two of the tremendous wrestlers who appear here regularly. Steamboat is better than guys like Rhodes, Graham and all those other wrestlers who are afraid to come into this area. The Carolinas are the new hotbed of professional wrestling.

LETTERS
From our readers

martino when Billy Graham stole the "Wrestler of the Decade" award away from him? Everybody knows that Bruno deserves the award, and I was wondering if anything has been done on this matter?

J.B. Browntell
Landover, Md.

Editor's note: We have looked very carefully into this area, and we are in the process of compiling all available evidence that would indicate the voting was done in an improper manner. As soon as we have all the details ready, we will make a presentation to the Board Of Governors who will decide if the decision should be reversed.

THE CRY OF 'FOUL' CONTINUES!

You bet that there has to be a recount for "Wrestler of the Decade" (June 1980 issue). No way did Superstar Billy Graham win that — I analyzed the table, and Bruno Sammartino was by far the winner! How could the authorities let anything like this ever happen?

Bruno had 39 votes for first place, and Superstar only two! I'm just hopping mad about this thing, and so is my brother!

I want to know exactly why Joe Leonelli, the member of the election committee you wrote about, was having lunch with Superstar? Old friends? Hah! It sounds like a buried scandal here, like Watergate. Could there be a payoff involved?

I hope that you are spending every waking hour checking into this horrible situation!

NEW TEAM

I can't believe the improvement in your magazine. The last two issues have been absolutely outstanding to say the least. The new staff of writers you have are a welcome addition to the wrestling scene. I just wanted to let you know that the "'new" Wrestling Revue is terrific. Is there any chance it will come out monthly again?

Bobby Schonder
Miami, Florida

Editor's note: Thank you, Bobby, for your very kind words. As you have pointed out, Wrestling Revue is now under new editorial-ship. Lew Eskin, one of the world's foremost experts on the mat scene, is the new editor in chief, and Alan Kaminsky and Mike Omansky are the two new editors. Alan has over 10 years' experience in the wrestling game, and Mike is the editor and publisher of Rasslin' Wonders. All three are anxious to make Wrestling Revue the best wrestling magazine in the world. Thanks also to the many fans who sent us their kind remarks. There is a strong possibility that Wrestling Revue will become a monthly again. Hopefully, by the end of the year.

A DOCTOR'S DIAGNOSIS

As a semi-avid wrestling fan here in the hometown of Bruno Sammartino, I must say that your magazine is a real service to all wrestling enthusiasts. If I read any wrestling publication at all, it is yours.

Keep the quality and personality articles coming. How about some features on the medical benefits of wrestling, if there are any?

In any event, I am looking forward to the next action-packed issue. Greetings to all pro wrestling fans everywhere.

David Siegel, M.D.
Pittsburgh, Pan.

Editor's note: We thank Dr. Siegel for his comments. Wrestling and medicine have been intimately related for years. For example, look at the ugly green tongue of George "The Animal" Steel. His manager, Lou Albano, has offered medical explanations for his tongue being an abnormal color. And at any and every arena, you'll find an attending physician. The list goes on. Thanks for writing!

LOVES OUR RATINGS

WRESTLING REVUE is a great wrestling magazine, and so much better than all the others on my local newsstand. One of the things I like most is your ratings. They really are complete, fair, and up to date. No other wrestling magazine gives fans this type of coverage, nor the great accuracy you obviously have attained.

Last issue, I was glad to see Dusty Rhodes, Davey O'Hannon, and Steve Kiern rated so high...they're exciting to watch, and always winning!

Selma Sherman
Cleveland, Ihio

Editor's note: We thank you for your comments on our ratings. We do work hard, constantly, hand in hand with Rasslin' Wonders, to analyze results from the world over. No question about it, our ratings are the most thorough you'll find, and are regarded universally as official!

GO, DAVEY O!

I really enjoyed your article, Dangerous Dave O'Hannon: "Win at any cost!" (June, 1980 issue). Your exclusive interview with one of the most exciting performers in pro wrestling in a collectors' item. I have always enjoyed Dave in the ring, and would like to see him get a title match against Bob Backlund. Dave never fails to give 110%, and it's probably that desire that makes him one of the world's best.

This past week I went to a wrestling match in a nearby town, and Dave was there. Dave finished off his opponent in eight minutes with a spinning neckbreaker and pin, but I bet he could have put him away sooner if he had felt like it. After the match, I got him to autograph the article in Wrestling Revue. Wow! Will this be vauable when he wins the world title!

Robin Chanlder
Montvale, N.J.

Editor's note: You'll be glad to hear that the latest results pouring in to our offices around the country show one win after another for Dave. We'll keep track of his career, and those of all the major contenders. Keep reading Wrestling Revue for the latest on all the big stars!

THE MAGIC POWER OF WITCHCRAFT

Whatever it is you need or want, Witchcraft can get it for you quickly, easily, and automatically, say these experts. You'll discover how it can bring abundant and overflowing wealth, find or bring back a lover, ward off evil influences, and much more—step-by-step in plain English, with complete easy-to-follow instructions!

Yes . . . Witchcraft! Every time you hear the word it brings with it the feelings of deep occult secrets—secrets that you would like to know so that your life can be better, so that your enemies will stop bothering you; so that serenity, love, power and comfort can be yours!

THE MAGIC POWER OF WITCHCRAFT lays bare these secrets for the first time! Do you want a bank account bursting at the seams with money? A love life that would make a sultan envious? Supreme power to crush your enemies and reward your friends? What would it be worth to you to utter a simple incantation that would cause any pain to vanish? Or say another, and immediately recover some lost object?

What would it be worth to you to fly through time and space, on astral wings, as Witches do . . . go wherever you wish . . . do whatever you wish . . . without being detected . . . watch the antics of others behind closed doors . . . hear private conversations . . . make time run forward or backward . . . read tomorrow's newspaper in a "black mirror" . . . find out what really happened in history . . . make your face old or young at will!

BRINGS AUTOMATIC ASSURED SUCCESS!

Witchcraft can bring your heart's desire! You can use it to heal someone, influence the boss to give you that raise, or make someone stop bothering you! It's easy! The easiest thing in the world! You don't have to be wealthy or super-intelligent to get started! Thousands of ordinary people all over the world are using Witchcraft Power right now!

Witches have known for centuries that people are scared of them and their powers! And rightly so! NOW YOU CAN SHARE THE SAME POWER that gives you—literally—life and death control over other persons! Is someone bothering you? No problem at all, with Magic Witchcraft. For example, there is a spell called the "Cross Not My Path" ritual, for people who are having neighbor trouble. When you use it, you know you will never again have trouble with this neighbor!

With these amazing Witchcraft secrets, other people will look up to you in awe—you'll automatically dazzle others with your power to make things happen at your will, you'll be Master of your destiny, and never have to apologize to anyone for anything!

Whatever you want or need, whatever frustration is bothering you, Witchcraft will help you. It is not evil—nor is it Black Magic. Like electricity, it is simply a power given by nature for the use of men, to make life easier.

You'll see how to get paid without working . . . how to get expensive clothes and furs FREE . . . how to get a first-class plane seat FREE . . . how to vacation at the finest hotels, motels, pools and pleasure palaces, start living like a millionaire as Witches do!

AMAZING TECHNIQUE HAS HELPED THOUSANDS!

Witchcraft-secrets like these can make you rich faster than anything else in the world! Here's how others have used them to make miracles happen in their daily lives!

You'll see how Vern, a man who likes to give a lot of expensive parties, was always short of cash until he discovered the amazing WITCH'S MONEY JAR—now all he has to do is dip in, for it brings him an endless flow of cash! Evelyn, a waitress, was always lending money to friends, and was always broke. Finally, she placed her last dollar on the table, and worked the MONEY MAGNET SPELL over it. All at once, dozens of people who had borrowed money from her, rushed to pay her back!

Hank was perpetually broke. One night he got together with some friends, and they decided to cast the MONEY SPELL. The very next day, Hank received in the mail a check for some $250 worth of insurance. (He had never heard of the company that sent the check, he was not insured with them, and had never even made a claim—but he accepted the money.) Another member of the group that used the spell, a 40-year-old secretary, received an automobile as a gift! All the other members of the group received amazing windfalls of money, as well! You'll see how Dexter, a retiree, lives RENT FREE *and* receives $200 a week at the age of 78, with a secret you'll find in this Witch Book! You'll see how Claudine, a secretary, was able to wear the finest, most expensive furs—FREE—and spend weekends at an expensive ski lodge in the mountains, where she met a wonderful man! How Ruth L., a widow—with nothing but a small pension, and a little savings—received her dream house, by using a simple 5-minute ritual on page 38 of this book!

Using the same Witchcraft secrets, YOU can achieve peace of mind and freedom from money worries for the rest of your life!

YOU CAN HEAL YOURSELF AS WITCHES DO!

Feeling sick today? Plagued by a lot of troublesome illnesses? Perhaps some relative is sick and constantly demanding your attention? Or perhaps it is even a pet that needs help? With the MAGIC POWER OF WITCHCRAFT, you can cure anything, say authors Gavin and Yvonne Frost: "In our experience . . . we have not found a single incurable disease!"

• **ANDY DISSOLVES A GALLSTONE!**—Andy M. developed gallstones. When his illness became too troublesome to ignore, he went to a doctor. Urine tests revealed that he was chronically alkaline. His body was badly out of balance. Using this Witchcraft method to restore balance to the mind and body in a short while, X-rays showed that he had no more gallstones! Andy never again suffered the excruciating pain of passing stones!

In the same way, say Gavin and Yvonne Frost, almost all illness can be prevented. You are actually employing an ancient Witchcraft method to remove diseased tissue! Even if you do not have any belief in the results, the power will work for you!

One woman, who had been in a wheelchair for 26 years, due to polio and arthritis, used the Witchcraft healing method, and reported that she had no pain and could walk and garden again! A man reported that his son's deep 3rd degree burns miraculously healed overnight!

• **SO SIMPLE A CHILD USES IT!**—A 4-year-old girl asked if she could try to heal a man who was limping due to a torn ligament—with this simple Witchcraft healing method. In a matter of moments, she started her chant, laying her hands on the weak ankle. The man was miraculously cured! To skeptics, this should be convincing PROOF that anyone can use it!

AMAZING POWER CAN BE YOURS!

Whether you want infinite wealth, or just a comfortable new home, financial security, fine possessions, love, companionship, new health and vigor, power to control others, secret knowledge, protection from evil, or anything else, the magic power of Witchcraft can bring it to you quickly, easily and automatically! It's the easiest thing in the world!

• **HOW TO SEE INTO THE FUTURE!**—Would you like to be able to see the future? You CAN with the magic Black Mirror you'll see how to make on page 23. All you need is some ink and a bowl of water. Then use the chant on this page, and you will be able to see many things. One man uses it to read tomorrow's newspaper. YOU can use it to check the stock market or that important horse race!

• **MAKE TIME RUN BACKWARD OR FORWARD!**—A Witch uses ancient methods to make time stand still or to run it backward or forward! To make your face look young or old at will, all you need is some morning dew, and the instructions on page 27. You can fly through time and space, on astral wings, go anywhere, do anything, with the simple method on page 126. You can visit a friend, look in on an acquaintance and see what he is doing; even appear in someone's dreams, and convince that person to do whatever you wish!

• **SECRETS OF SILENT PERSUASION!**—There is a magic handshake that Witches often use, revealed on page 62. With this secret, you can implant a thought in someone's mind! You can use this Witchcraft power to dominate others! Control your boss! Make someone love you! Leave your enemies groveling in the dust! There is even a gazing technique Witches use on page 45, for identical thoughts. With this secret, you can read your friend's mind and share his or her identical thoughts!

DEBBIE COOMBS

By GENE GORDON

Looking more like the model she was than the wrestler she is.

Veteran Belle Starr does a little hair-pulling out of the referee's sight as Debbie struggles to get free.

The old saying goes: Like father, like son. But in the case of Debbie Coombs, it is like mother, like daughter. You see, Debbie happens to be the daughter of one of the greats of lady wrestling, Cora Coombs, who needs no introduction.

In her prime, the beauty from Tennessee was rated among the top girls, such as Penny Banner, Tami Jones, Mae Weston, Betty Hawkins, Millie Stafford, Lorraine Johnson and others, during the late 1950s and 1960s, and through the early 1970s.

Young Debbie appears to be a chip off the not-so-old block.

When you first meet Debbie, you find it difficult to realize that her profession is that of a wrestler. You would take her for anything else, just seeing her in street clothes.

There is a quiet gentleness about the gorgeous blue-eyed lass, who stands five feet six inches, and usually weighs a curvy 135 pounds.

A former professional model, she has a fair complexion, a charming personallity, and a beautiful smile, with a shapely body — plus loads of natural wrestling ability to go with it all.

How can a girl like this Tennessee beauty fail to reach the top of her pinnacle, if given the right opportunity?

I first met Debbie one night three years ago, in a little town called Hillsville, Va., she was wrestling that night in a mixed tag-team match. I don't even recall who the other three contestants were in this contest. My eye was on Miss Coombs. The promoter, Don Hogan, was a friend of mine, so he showed me to Debbie's dressing room. I knocked softly, and a soft voice answered:

"Come in."

I introduced myself, and when I told her that I knew her mother, Cora, that broke the ice, so we had a nice chat.

I think her partner that night was

Another win for Debbie as she has Satan caught in a cissor hold.

Chief White Eagle. They won, taking two out of three falls to the cheers of the crowd.

Debbie tole me that she was born on April 29, near Ft. Campbell, Ky. (That makes her a Taurus). The year was 1959.

She was raised in Nashville, Teen., where she still lives. Her father was from New England.

Yes, looking at this young lady, you might see her as a dancer, actress, or office secretary — but she is a professional wrestler, and proud of it.

"I love the sport," she said.

"Ever since I was a little girl, I wanted to follow in my mother's footsteps. Many times she would take me to arenas, when she was wrestling near home, and leave me in care of a friend. I loved to watch my mother in action.

"She promised that when I got old enough, she would teach me, if I were still determined to wrestle," says Debbie. "It wasn't as easy as I thought it would be."

Debbie went on to say, "my mother taught me right. From the start she roughed me up, just to see if I could take the bumps and bruises, and come back for more."

Cora said, "Debbie, in this business, you got to be able to take the bad with the good, and be able to stand the tough grind."

When Debbie first turned professional, her mother had her use the name Debbie Dahl. But as soon as Cora knew that her daugher had made the grade, then she told her to use her real name.

"If my mother thought that I wouldn't become a top star, then she would have probably tried to make me quit the sport, but I have enjoyed every minute of it. I love the sport, the money is good, and I have gotten to see lots of this world, which I would never have been able to do, if it were not for wrestling. It's been good to me."

I asked Debbie who she considered the toughest opponent she ever faced?

Her matches with Lady Satan have all been "wars" — here Debbie has the "Dark One" trapped in an arm bar.

She replied, "Well, all my matches are tough! none are easy. You must be on your toes at all times. One bad move on my part could turn victory into a quick defeat."

Some of the toughest opponents I have seen her wrestle, I have to say, were veterans like Belle Starr, "Fabulous Moolah", Nataska, and the mysterious Masked Lady Satan. All these matches were hectic.

Others she has met are Tracy Richards, Beverly Shade, Sylvia Hackney, Sherri Lynn, Ramona Isabelle, Jean Antone, Princess Jasmine, plus others whom I will mention later in this article.

Outside of wrestling, she enjoys TV and movies, with John Travolta being one of her favorite people. She also likes baseball, and the St. Louis Cards is her favorite team.

In Tennessee, she was a contestant in the Miss Tennessee World Beauty Pageant in 1976.

Her favorite male wrestling star, as a little girl, was Dic the Bruiser. Among today's grapplers she admires Harley Race.

She leans mostly to to the clean scientific side of wrestling, with the body scissors her favorite hold, and she uses it to perfection.

But don't be deceived by her mild-mannered ways and beauty. If her opponents want to use skullduggery tactics blond Debbie can come back with the fury of a wildcat, when you get her Irish dander up.

California, and late last year went to a 20-minute draw in New York against Eastern Wrestling Conference Champ Kitty Adams. She has also appeared in Canada and Japan and in May of 1979 Debbie went to Nigeria where she wrestled in an all-girl tournament. Some of the tough competition Debbie faced in Nigeria were international stars such as Miss Bela Ogunlana, the Nigerian champion; Princess Cherokke; Lola Valdez of Spain; Naughty Nancy Barton of England; Brigitte Barnes of France; Rusty Blair of Scotland and Lise Raymond of Canada.

Debbie told me that it was a different kind of world over there in Nigeria.

The people were nice to me, but I didn't much like their way of cooking. The weather was extremely hot and the traveling was rough, with bad, bumpy roads. But it was interesting, and a trip I will never forget."

The girls she met from Europe were rough, and she admitted the rules in Africa were not as strict as they are here in the United States.

Her latest tour took her to the Fiji Islands. Her opponents over there, whom she wrestled three times, was the much-feared female mat terror known as The Masked Lady Satan, who wears a red suit and a devil's face mask decorated with horns and a devil face on her suit.

This mysterious mat woman will do anything to win. Shes very rough and many of the top girls stay clear of her, if she can be avoided. She calls herself the U.S.A. champion. It was the first time ever that lady wrestlers appeared in Fiji and they drew huge crowds at Lautoka, Lowaqa and Sigatoka.

Debbie got a great deal of attention from the public and press during her visit and a photo her in a swimsuit appeared on the fron page of the local paper. The story said that she stopped traffic when she showed up at the local marketplace wearing her swimsuit and they referred to her as the "blonde bombshell". She also was invited to march in a parade, along with the other wrestlers — but you know she was the main attraction.

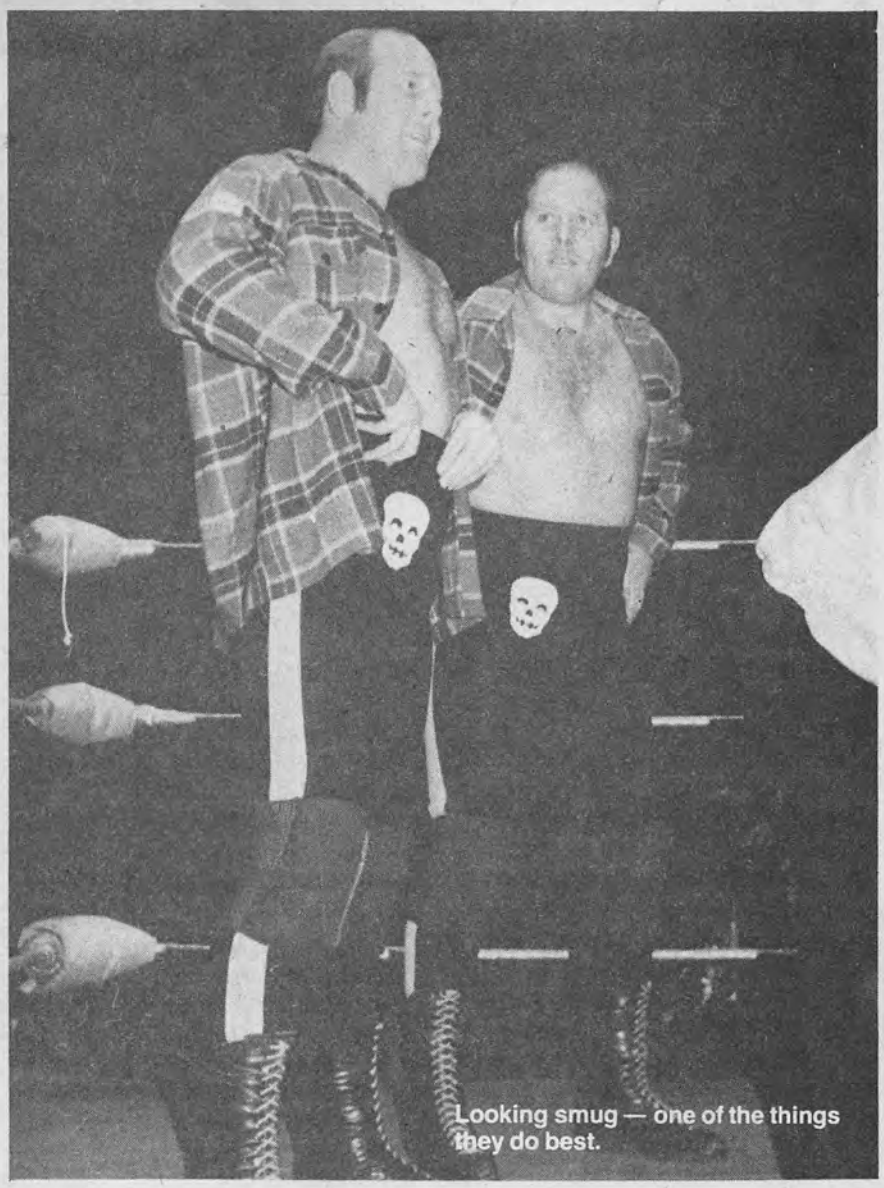
DOUBLE TROUBLE:

PAT AND MIKE THE KELLY TWINS



Looking smug — one of the things they do best.

By GARY WORONCHAK Photos by BRAD McFARLIN

One of them alone is awesome enough, but when twin brothers Pat and Mike Kelly get into the same ring together it spells double trouble for any tag team facing them from the opposite corner.

Born half an hour apart some 30 years ago in Atlanta, Ga., the Kelly Twins have been involved with wrestling for half their lives. After successful high school careers in football, swimming and amateur wrestling, the duo chose the latter as their profession. Their native South is the Kellys' primary base of operations but, strangely enough, they learned their craft hundreds of miles to the north — in Canada.

"We learned to wrestle in Hamilton, Ontario, from Chris and John Tolos when we were around 16 years old," Mike explains. "Of all the teams in the world, we still respect the Tolos Brothers most."

Mike and Pat have worked under the guidance of two managers — Billy Spears in Alabama and Godfather Lou Patousia in Toronto — "because they knew wrestling and were tough," Pat says — but the Kellys still credit the Tolos Brothers most for showing them the ropes.

The Tolos Brothers, certainly one of the most notable sibling tandems in wrestling history, taught the Kellys well. Pat and Mike have more than held

their own against teams in all 50 of the United States, Canada, Japan, Australia, New Zealand and elsewhere.

"Our favorite place to wrestle is Australia because the girls are pretty and the weather is always great," says Mike, puffing on an expensive cigar. Quality cigars, food, wine and women are prerequisites to the Kellys' contentment. "And also in Phoenix, Arizona, because we own a home there and we like to swim in our pool.

"Japan is our least favorite place to wrestle because we just don't like the country."

The Kelly Twins have a long string of tag team championships to their credit. And, being world travelers, their titles have been international.

In Canada, the Kelly Twins have held the North American tag championship in Calgary, Alberta; the Pacific Coast title in Vancouver, British Columbia; and the Canadian title in Toronto. While in Japan, the Kellys held the tag team title there for a while. In the U.S.A., Pat and Mike have sported the Gulf Coast belts in Alabama and the Georgia title in their home state.

The camera has caught what the ref didn't see, Pat about to thumb Igor.

One set of championship belts, however, has yet to hang around the waists of the Kelly Twins. The world tag team championship has eluded the duo thus far, making in their primary professional goal. Several mat observers believe the Kellys have what it takes to achieve that goal — and so do the Kellys.

"We don't feud with any teams," Pay says with a touch of arrogance. "We just beat them and forget about them."

Their confidence is not without basis. Both stand well over six feet tall, and they sport a combined weight of around 525 pounds. Lifting weights keeps the bulk firmed up, while jogging increases their stamina for their profes-

sion. The Kellys' physical tools, however, are just part of the reason behind their success.

The Kellys' roughhouse, sometimes questionable, ring tactics often cloud the fact that both brothers are skilled in the art of scientific grappling. Both are masters of the sleeper hold, atomic drop and figure-four grapevine. Among their favorite maneuvers are the suplex and front facelock.

Both Kellys are proven individual grapplers, but they only split up when one is injured or, Pat says, "when a promoter wants it." Part of their success can be traced to the fact that — while plenty of successful brother tag teams split up after a few years — the Kelly Twins are still going strong after nearly 16 years.

Perhaps what makes the Kelly Twins most effective as a team is their use of strategy developed with years of experience.

Being indentical twins has figured into the Kellys' strategy, helping them out of trouble on more than one occasion. Unless a referee is very attentive, the brothers can change places virtually at will, albeit ilegally, in the ring. For example, if one Kelly is hurt and the referee is distracted, the other often leaps into the ring, pushes his hurt brother out and take his opponent by surprise.

Besides impersonating one another, the Kelly Twins are infamous for their double-teaming tactics. They work so smoothly that a refereee often barely

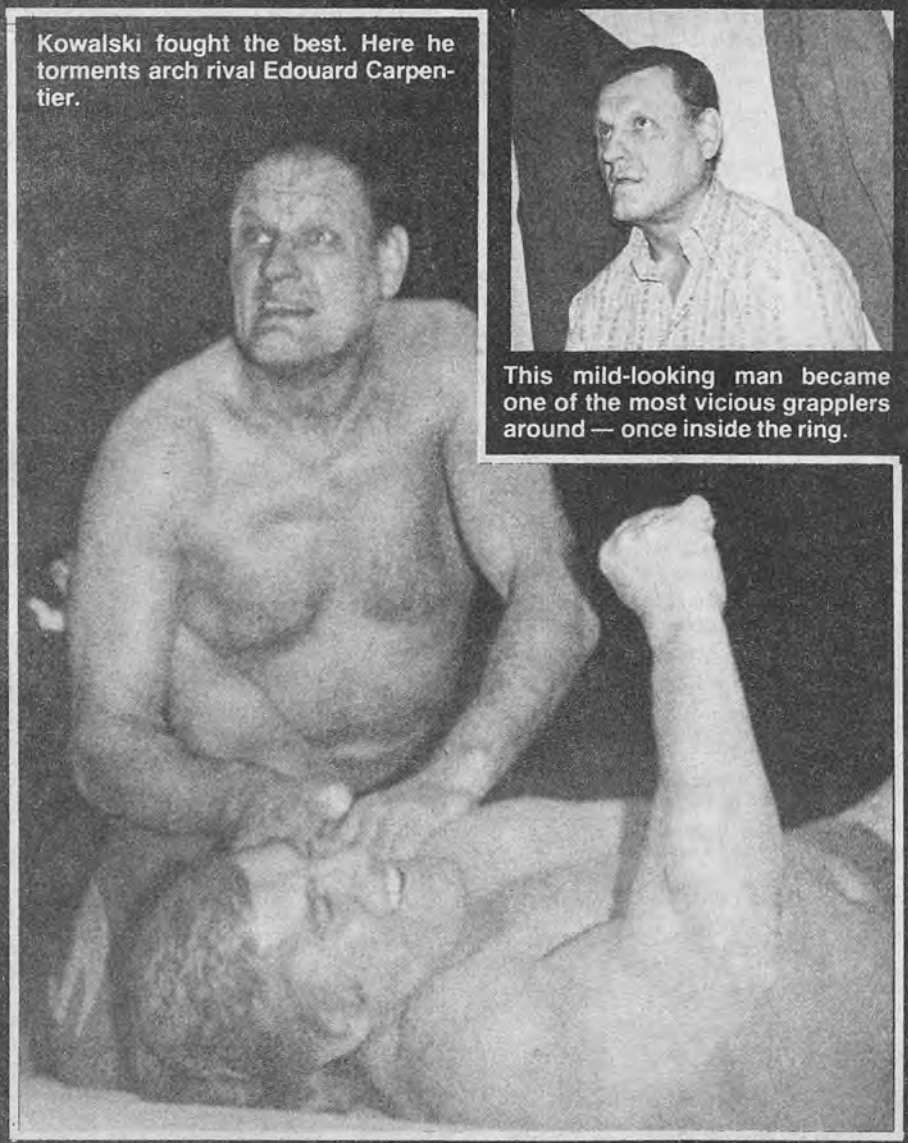
THE NIGHT THEY CHEERED KOWALSKI

The last thing in the world wrestling fans would ever expect on entering a wrestling arena is to find fans cheering for *Killer Kowalski. After all, anybody who delights in torturing opponents into helplessness with a sadistic grin isn't a prime candidate for a Boy Scout award.*

But even more unthinkable — almost beyond the wildest dreams of any knowledgable fan — is to walk into Madison Square Garden, the mecca of the wrestling world, and hear over 22,000 fans cheering Kowalski!



Kowalski fought the best. Here he torments arch rival Edouard Carpentier.

This mild-looking man became one of the most vicious grapplers around — once inside the ring.

Would you ever have believed it?

Picture that! 22,000 people squealing with delight for every stomp, gouge, punch, or hick! The same 22,000 people who would boo him adamantly the night before, or the night after.

Crazy? Illogical? Hardly. Every fan at the February 1970 spectacular at the Garden was quite rationally 110% behind the Killer.

To help our readers understand this lunacy, we must go back to the January 1970 Garden card. One of the feature matches was a World Tag-Team Championship bout, with the champions, Tony Marino and Victor Rivera, defending the belts in a 2-out-of-3-fall brawl against Kowalski and his then regular partner, Waldo Von Erich, the German madman. Naturally, the crowd was all for Marino and Rivera, long established fan favorites at the time.

Von Erich used illegal tactics and doubleteaming with Kowalski to subdue Marino for the first fall. Von Erich tried to repeat the actions in the second fall, but the quick-thinking Tony avoided Kowalski's interference by ducking. Instead of hitting Marino this time, Kowalski slammed his own partner, Von Erich. Tony quickly scored a pin over Waldo to even it up.

Wearing a Nazi helmet and holding a whip, Waldo Von Erich hints at how he conducted himself in the ring.

During the rest period between falls, Von Erich and Kowalski started arguing about the loss of the previous fall.

ACTION IN JAPAN

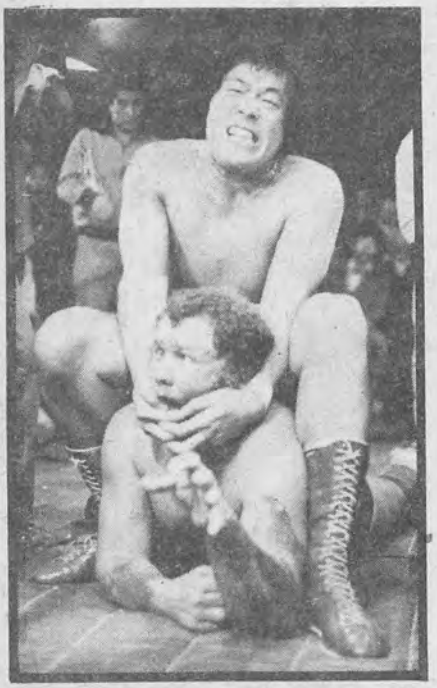
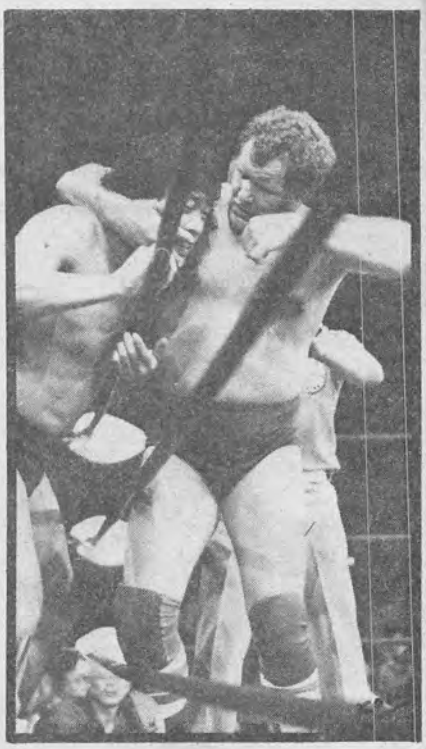
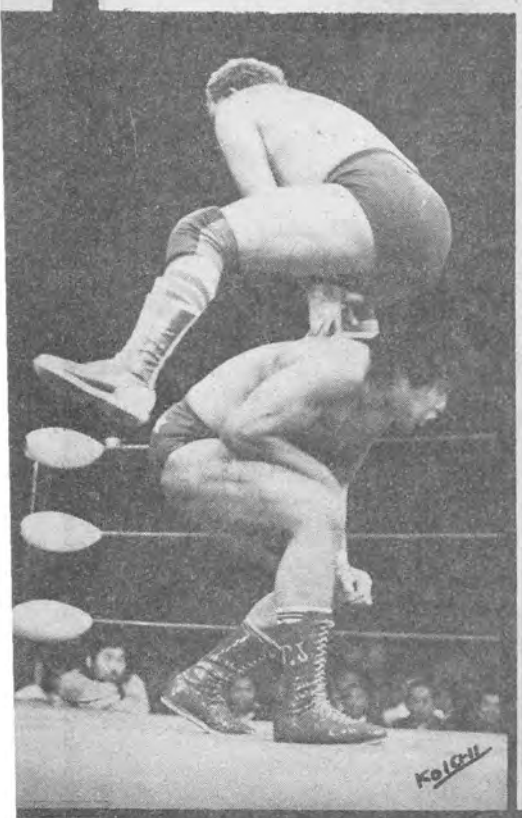
Villains are big in Japan, and one of those they just love to hate is Abdullah, seen here "doing his thing" to Terry Funk.







One of the great matches of the month featured local star Tsurta and Harley Race. The action was fast and furious, both inside and outside the ring, with little attention paid to the rules by either man.

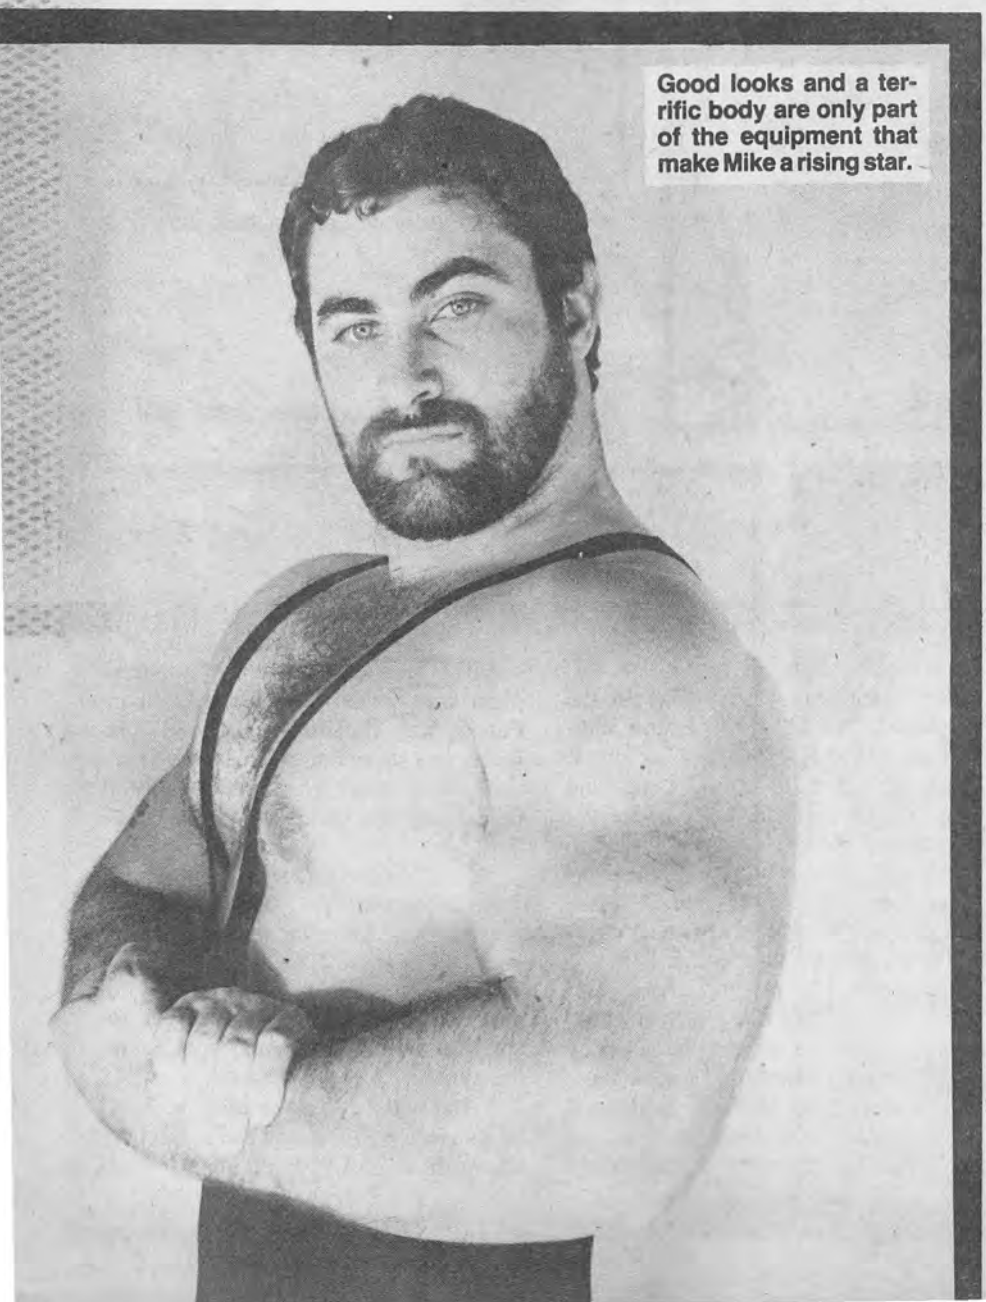
MIKE MASTERS: Coming on strong

By DAN KAMINSKY

One of the meanest, toughest, and strongest of the new breed of young wrestlers is big 6-foot 248-pound Mike Masters. The bad boy from New Jersey has been wowing fans and promoters alike on nationwide television, and in such major arenas as the Philadelphia Spectrum, the Baltimore Coliseum, and the Nassau Coliseum.



Good looks and a terrific body are only part of the equipment that make Mike a rising star.

"I love wrestling, and I love winning even more!" laughed Masters after a recent victory. "I know what I've got to do, and how to do it. And I'll climb the ladder of success until I achieve my ultimate goal — to be world champion!"

Tough words from the 24-year-old giant. But words that he has the power to back up. Masters wrestled and played varsity football at the University of Cincinnati, and holds a brown belt in karate. On top of that, he was state boxing champ!

"My favorite hold is my spine-shattering body slam, because of the power I can put behind it," Masters notes. "It has already brought me a number of victories, as I pin stunned opponents.

"I also like to put my brutal elbow smash to use," Mike adds, "as these big arms can slam anybody to the canvas."

Mike turned pro two years ago, starting in California. Since then he has been up and down the U.S., taking on all comers. He always signs for solo bouts, not for tag teams. "Tag-team partners need to know each other, and you can't really depend upon someone you don't work with on a regular basis. Maybe in the future I'll go for tag-team

New Jersey bad boy headed for the top.

His great strength makes him one of the most dangerous matmen.

matches, but definitely not at this time."

What wrestlers have inspired Mike? "Superstar Graham, Ken Patera, and Johnny Rod!" Mike quickly responds. "Graham is a true champion. Patera combines his amazing strength with superb wrestling skill. And Johnny Rodz, with his incredible endurance, is one of the best pro wrestlers today."

Mike's toughest battle to date was a match against S.D. Jones, in which Mike got disqualified. "I was choking the hell out of him," Mike recalls, "and they had to hold back the fans who tried to storm the ring. Too bad it all had to end — I was having such a good time! If we ever meet again though, I'll pin Jones first, then choke the hell out of him!"

Masters rates the top Five in the world today as follows: "Bruno Sammartino is no. 1. Then Bob Backlund, Superstar Graham, Ken Patera, and fifth, because of his size, Andre the Giant."

"Bruno is super strong, in super shape, and can beat anybody," Mike comments. "Backlund is a great wrestler who has shown quite a bit."

Currently, however, Bruno and Backlund are not Mike's primary concerns. "That no-good Dave Darrow and that Pete Doherty have been causing me problems in New England," Mike snears. "Oh, I can beat 'em up any time, but they are thorns in my side."

Mike carefully studies other grapplers, and has definite opinions. "Ivan Putski has tremendous power. Ox Baker is a super competitor. Bob Duncum — another great athlete. Davy O'Hannon is a solid, first-class wrestler."

"But," Mike smiles, "in five years, I'll take them all!"

With that, Mike picked up his bag, and walked toward the door. "I've got another match tomorrow night, and 200 miles to cover. Plus I want to get up early to do a few miles, and work out in the gym."

"And when I win tomorrow night," he paused, "I'll be one step closer to the world championship belt!" □

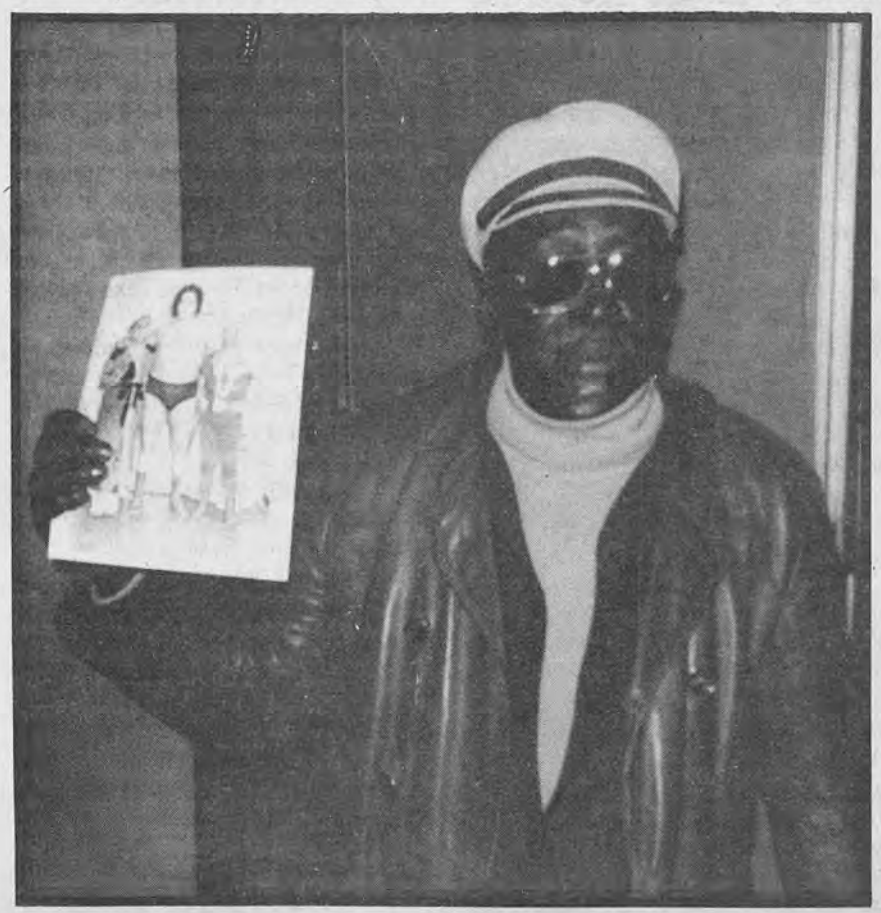
FAN OF THE MONTH

A solid choice this time as Wrestling Revue's "Fan of the Month" is the amiable and cordial Willie Jackson. You may recognize Willie's face from major Eastern arenas, such as Madison Square Garden and the Philadelphia Spectrum. Willie is an avid wrestling rooter, and follows the pro boxing wars very closely as well.

Willie is always on hand, ready to swap photos and posters of the top wrestlers and boxers — he himself has quite a collection. He has some super shots of Andre the Giant, Bobo Brazil, Bruno Sammartino, and all the other first-rate men, which he carries with him to arenas of all sizes. Fans flock to him to swap, or just to talk some grappling.

"I like meeting the people," Willie advised WRESTLING REVUE's Alan Kaminsky one recent evening. "I always enjoy when they look at my pictures. People are very nice, and the wrestling fans are so decent and wholesome. They're my type of folk!"

Willie also carries a small stack of his favorite wrestling publications to these arenas — in particular, WRESTLING REVUE and the Eastern publication, RASSLIN' WONDERS. "I'm a bit choosy about the wrestling magazines I read and show to my good friends," Willie advises. "I don't like that junky stuff that doesn't tell it like it is, you know what I mean? I like magazines that tell it to the people straight."



WILLIE JACKSON

We handpicked Willie, incidentally, to honor a man who has meant a lot to so many fans. Both Alan Kaminsky and Mike Omansky of WRESTLING REVUE have been long aware of his dedication, and agreed that it was only fitting that Willie Jackson be recognized as our "Fan of the Month".

This month we are proud to announce that there are two fans of the month. The second of our honored fans is a youngster by the name of "Big Jerry." Jerry currently goes to school in New Jersey and he is 10 years old. He has been a wrestling fan for the past five years. "I've loved watching wrestling for as long as I can remember," says the bright young man.

Jerry is being honored here today in recognition of a very important day in his life. Just a short time ago, Jerry attended his first live wrestling show at the famed Madison Square Garden in New York. Previously, Jerry was not permitted to see the shows at Madison Square Garden because of a New York State law that forbids children under 10 from viewing the matches. So, in honor of his tenth birthday and the fact that he recently saw his first matches ever in person, we are pleased to announce that "Big Jerry" is our choice for the fan of the month. Congratulations, Jerry. □

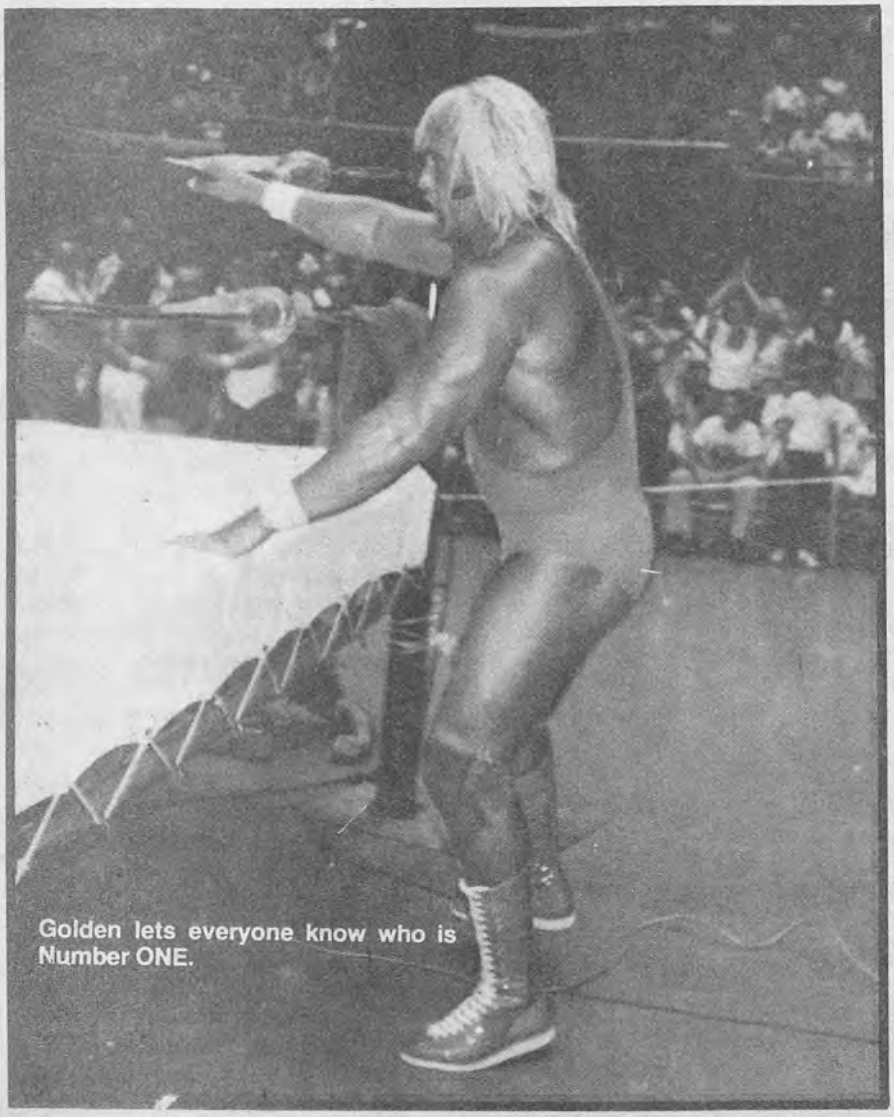
STERLING GOLDEN 'Shining star'

By MICHAEL O'HARA

When you think of the top stars currently campaigning in the state of Georgia, immediately such names as Tony Atlas, Bob Armstrong and Ole Anderson come to mind. But one man has risen to the top of Georgia wrestling like no one else ever has. I'm making reference to the blond behemoth known as Sterling Golden.



Golden lets everyone know who is Number ONE.

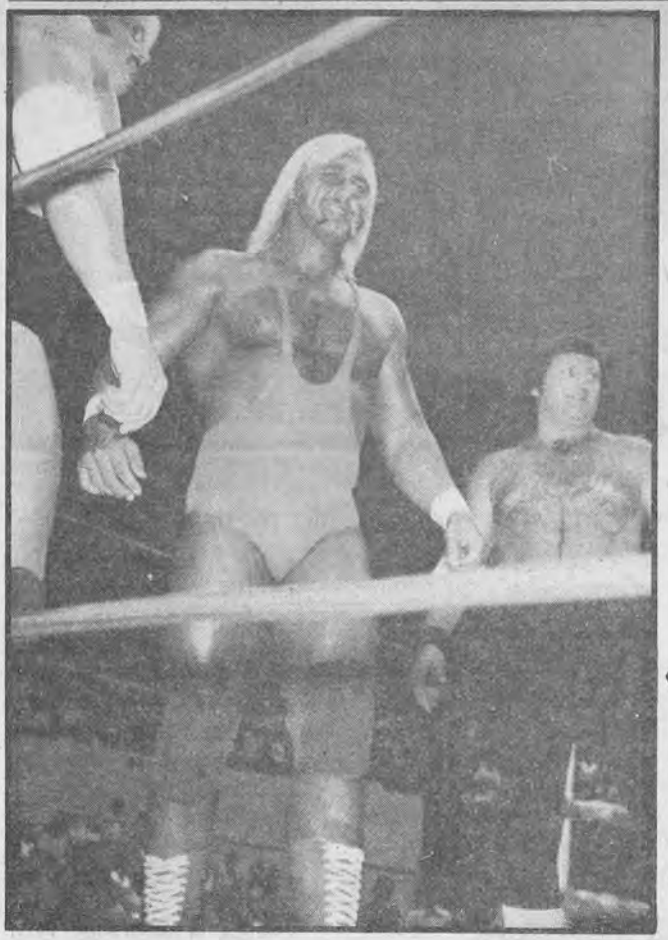
In a short period of time, Sterling has chalked up a series of impressive wins which have skyrocketed him into the main events. He has been put up against the best and he's proven that no one can compare with his awesome strength, lighting-like speed and uncanny ring knowledge.

I had the opportunity to talk with "the Golden One" at one of the major southern arenas where he had just emerged victorious as usual. Outside of the ring, he is a boisterous as ever. Even with his arrogant ways, you can't help but admire his dedication to the sport and his electrifying charisma.

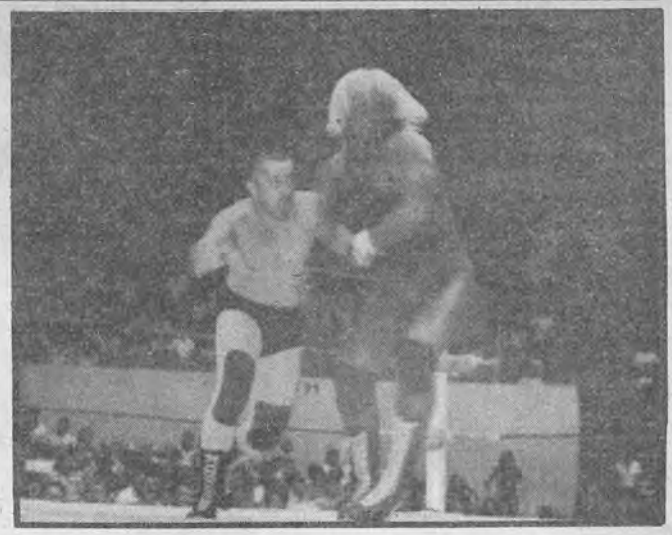
"Listen, Jack, I'm in this game for certain reasons. I'm in it for the money, the women and the recognition that I rightfully deserve. I want all the belts and I'm gonna get them. Mark my words, daddy."

"I'm selling out all the arenas in Georgia, junior, and the women in these parts are running away from their puny husbands and boyfriends. They're flocking in to see Sterling Golden, baby, because this is their first chance to see a real man up close. Check me out, baby! I've got 22" biceps of blue-twisted steel. I'm here to take care of all the punks like big, bad Tony Atlas and skinny, little, flamingo-legged Tommy Rich."

I asked Mr. Golden about his favorite hold which has caused a lot of problems for a lot of people. "It's the most devastating hold in wrestling today," said Sterling. "It's called the Super Golden



Mercy is one word that you won't find in Sterling's mat vocabulary. Note his smile of anticipation as he and his tag partners await the opening bell.



An arm-whip into the ropes.

Squeeze, brother, and anybody who wants to get into the ring with me can forget about trying to escape it. In fact, I'll give any man $1,000 to break the squeeze. I also want to warn all these punks that they better not get me hot. If you do I'm gonna hang on to you, jackson, and I won't let go until we get to the hospital."

Sterling hails from the sunshine state of Florida. He was born and raised in the city of Tampa. It is there that his interest in wrestling began as Florida has always been a hotbed for exciting mat action. While in college he excelled in sports, especially wrestling and weight-lifting, in which he won many regional amateur titles. After coming out of college, he was a well-conditioned fighting machine and ready for mat action. He travelled down South and met with great success — and everywhere he wrestled he was known as a human gold mine.

Sterling has now come to Georgia, where he has his eyesight set on the state title and the T.V. championship. He is well on his way to conquering all who face him and he is a sure bet to win one of the major titles in the very near future. Many have tried to break his super Golden Squeeze and collect that $1,000 but none have succeeded. He is brash, loud and arrogant and because of these qualities he is making plenty of enemies.

"The Golden Squeeze" and another foe bites the dust.

He won't be losing any sleep over his opponents, though, considering that he is 6' 7" and 317 lbs. Without a doubt he strikes fear into the hearts of all his foes and he is a definite threat to all title-holders everywhere.

"Belts are what it's all about, baby," stated Sterling. "That's where the big bread is and being the best is where it's at, jack. I'll take on anyone, anyplace at anytime."

I asked Mr. Golden for his opinion on the three world champions and he replied with the following statements:

"Well, this little boy Bobby Backlund is still wet behind the ears, baby. He's not in the same class as the "Golden One". If the opportunity ever presents itself, I'll be the one who takes that WWF belt and puts Backlund out of his misery."

"Harley Race is a great veteran of the ring but there is no way that he could put up with the speed, the power and the intelligence of Sterling Golden, the world's greatest wrestler."

"Nick Bockwinkle isn't even worth talking about, Jackson. I'd beat him without breaking a sweat. In fact, I'll fight all three of them in the same night and it wouldn't even amount to a good workout."

You must admit that the confidence is there and after seeing him in the ring you know that he has the ability to back up his words with action. Whether you like him or hate him, you can't help but feel that he is a world champion in the making. Keep your eyes on Sterling Golden because he is a talented young man with a mission and a true star of the 1980s. □

INOKI - BACKLUND

Title switch revisited

By EDWARD GEORGE

In the June 1980 issue of WRESTLING REVUE, two issues back, we reported to you that Antonio Inoki, in a match held in Japan, defeated WWF champion Bob Backlund for the WWF belt. This match was held as 1979 drew to a close. A rematch was held shortly after, and both men were counted out, with the official decision a "no-contest".

Despite its poor quality, this photo clipped from a Japanese newspaper is an historic one — one of the few photographic records of the controversial title switch. Here, after his rematch was ruled a no-contexst, a furious Bob Backlund treatens match officials with a display of his mat prowess. The telegrams reprinted below show conflicting views of the outcome.

After the second match, Inoki, who has his own title belt, returned the WWF title to Backlund. Thus, while Inoki had pinned Bob in the first meeting, Backlund ultimately returned to the U.S.A. with his Worldwide Wrestling Federation belt.

We had also promised you — in the June, 1980, issue — some exclusive photographs of this match. However, just a few days after receipt, and although we kept the photos under lock and key, they mysteriously disappeared. These pictures included Inoki with the WWF belt, and action shots from the match.

While the loss of the group of photos is highly unfortunate — and suspect — one of the editors also had an additional photo sent, from Japan, to his home address. This photo — clipped from a newspaper article — was sent in disguise, wrapped around a minor toy so as not to be interfered with. We now print that photo for you to see.

Note in this photo that Bob Backlund clenches his fist in protest after the second match. See Inoki in the background, mouth open. Also note the copies of telegrams we have been able to get hold of, sent in the midst of the confusion of the Inoki-Backlund matches.

We at WRESTLING REVUE were happy to be able to inform you, our loyal readers, of these controversial events. WRESTLING REVUE, as you know, provides incomparable coverage in both arenas big and small, and of all titles across the U.S. and around the world. Keep reading WRESTLING REVUE to stay on top of all the action! □

'Big Daddy' is newest fan favorite

The wrestler who is really packing them here in is 'Big Daddy', everybody's favorite — with even the smallest of children loving to be picked up into the ring to greet their hero.

When 'Big Daddy', partnered by Jackie Turpin, the nephew of the late great Randolph Turpin, former world boxing champion, took on 'The Bulk' and Tony Rocco in a tag match, fans really enjoyed the action.

'The Bulk', all 40 st. (560 lb.), tried a shoulder charge against 'Big Daddy, 25 st. (350 lb.) but to his surprise, 'Big Daddy' adroitly body swerved in the famous Les Kellett style, and 'The Bulk' crashed into a corner post. Soon afterwards, he went down from a 'Big Daddy' shoulder charge. There followed a splosh on top of him, and 'The Bulk' had 10 seconds tolled over him.

Jackie Turpin barely makes 11 st. (154 lb.) and when tagged to do battle before the collapse of 'The Bulk', Turpin was giving away a great deal of weight to Rocco 13 st. 5 lb. (187 lb.) Rocco, a man of bustling action and as much as a man of his own weight can cope with, was far too much for Turpin.

Pete Roberts is the winner, as announced by John Dale of Dale Martin promotions.

Not content with his physical advantages, Rocco resorted to a great deal of dubious moves which brought about his disqualification. Even after the contest was over, Rocco again attacked Turpin. However, Turpin having boxing gloves in his corner, put them on and gave Rocco the mother and father of a beating. At least the fans were delighted, but I very much doubt if Rocco enjoyed such treatment.

Ringo Rigby is fast making good progress and, to my mind, will soon be good enough to challenge Tony Rocco for the latters British heavy-middleweight crown. However, it would be wise for Ringo to study the bustling all-action technique of Rocco, who is a difficult man to beat at his weight.

When Ringo Rigby went into a bout against Tally Ho Kaye, he was soon in a great deal of difficulty from the unruly tactics of Kaye, who is in his element when breaking every rule possible. After a great deal of action, Rigby won by two falls to one, and this alone proves he is a champion in the making.

As for Tally Ho Kaye himself, if a loud voice and brashness towards fans and wrestlers alike made world champions, he would have been world champion a very long time ago. But make no mistake, Kaye is a powerful man and a good ringman when he so chooses — just he gets carried away with his actions once battle commences.

Ray Steele, the blond heavyweight, at 16 st. 6 lb. (230 lb.) is a fine figure of a man and a useful wrestler in the bargain. But it is asking too much for him to tangle with Patch Roach, 20 st. (280 lb.), with success. Of late Ray has twice been defeated by Roach after some really tough action.

For four to five rounds Steele is capable of giving Roach quite a run for his money, but the extra weight of Roach tires and weakens the game Steele. When his trength gave out, Roach secured the better of three falls, but not before he too realized he had been in a fight. Of course, Pat Roach is a very experienced wrestler and a serious threat to Tony St. Clair's grip on the British title.

Super-heavyweight "Big Daddy" treats 225-pound Dave Bond as if he were a lightweight.

Dale Martin Promotions Ltd. regularly promote at the Royal Albert Hall, London, and they publish first-class programmes for these wrestling spectaculars which are a great buy for the wrestling fans at 50 p.

At one of these fine spectaculars, 'Giant' Haystacks was unable to appear owing to injuriy in a car crash, and his place was taken by 23 st. (322 lb.) Rex Strong to partner 'Mighty' John Quinn against the Springboks, African Rand and African Kruger. We know Quinn is in the region of 21 st. (248 lb.) and the Springboks, although well-outweighed,

WORLDWIDE mat action

By SCOTT STEVENS & RON GRAU

The Sportatorium in Hollywood, Florida, was the setting for a classic match, with the International Junior Heavyweight Championship as recognized by the National Wrestling Alliance on the line. The extremely capable Mike Graham won the championship in a 2-out-of-3 fall encounter against the talented Tatsumi Fujinami of Japan. Graham flattened Tatsumi to capture the first fall, but Fujinami rebounded to top Mike in the second, evening it up.

Bugsy McGraw, one of pro wrestling's most unusual competitors.

All of the marbles were on the line in the third and deciding fall, and Graham caught Fujinami in the deadly Figure-4 leglock. Mike poured on the pressure, and Tatsumi was forced to concede the match and the championship. An overflow crowd gave the new champion a standing ovation, and Mike was quickly rushed by his friend who wanted to be the first to congratulate him. Mike's dad, Eddie Graham, was on hand, and no doubt it was a proud moment for the Graham family.

In the days that followed, Mike was beseiged by phone calls from promoters all over the world, and quickly began plans for a tour to defend his coveted crown.

Mike Graham is, of course, one of the few men who can make it in both the heavyweight and jr. heavyweight ranks of pro wrestling, and is now on top in both.

The American Dream, Dusty Rhodes, whupped Bad, Bad Leroy Brown for the Southern Heavyweight Championship, to the delight of the fans, but not of Brown or his manager Sir Oliver Humperdink. Sir Oliver was quite unhappy, but with wrestlers such as Nikolai Volkoff and the wild Bugsy McGraw in his stable, quickly pointed out that more titles would come his way, and soon.

Speaking of Bugsy McGraw, who won the Florida T.V. Title between issues of WRESTLING REVUE, he has one of the weirdest ring styles and outlooks going. "People say Bugsy McGraw is crude!" Bugsy laughs. "People say Bugsy McGraw is mean, Bugsy is despicable — and that is disgusting. And you know what?" he continued. "It's all true!" Bugsy sure knows how to make friends. Editor Mike Omansky once asked wrestling gread Davey O'Hannon, who once teamed with McGraw quite successfully up in Canada, about the difficulty of teaming with such a strange man.

"He may be weird," O'Hannon conceded, "but he is sure a great wrestler. He's big and strong, and as mean as he could be. We were tops in Canada, and undefeated. We whipped the tar out of the then Canadian tag-team champions, but, unjustly treated as we were, were denied the belts.

One feud that has been raging hot is the continuing battle between Dick Slater and the unpredictable Killer Karl Kox. One of the most brutal bouts in wrestling history, which shocked the fans and the promoter, was a meeting in Knoxville, Tennessee. The two couldn't wait to get to the ring to begin the match: they started battling in the aisle!

The ref had little control over the rest of it, as the stuggle went on inside and outside of the ring throughout the 25-minute war. Knox and Slater used very few holds, they simply had a Pier 6 brawl. Finally, both men collapsed, bloody and battered, outside of the ring. Kox was carried out on a stretcher — they also got a stretcher for Slater, who kicked it away. However, Slater could not walk out under his own power, and two other wrestlers assisted his exit. Hopefully this feud will end before one man, or possibly both, ends his career in wrestling.

Congratulations to the popular Bob Armstrong, who copped the Southeastern Heavyweight Championship, by pinning rugged Hulk Golden, who is now known to East Coast fans as Hulk Hogan. Hulk was in a bit of trouble, and threw Bob into the ref, then over the top rope. Hulk then was picking up

Ernie Ladd, now proud co-holder of the Central States tag-team title with Big Bruiser Brodie.

the ref to have Armstrong counted out, but Armstrong whipped back into the ring. Armstrong caught Hulk from behind by surprise, got him in a cradle, and the ref, now revived, counted three. Hulk's trick backfired, and cost him the belt!!!

Meanwhile, still on the Southeast scene, Dr.David Schultz and Dennis Condrey, with their sharp teamwork and sheer brutality, are successfully defending the Southeastern tag-team championship. They are compiling a long list of teams they have defeated in defense of the belts. These blonde bombers are a very tough twosome.

Chavo Guerrerro is the Americas champ, but former Americas champ Dr. Hiro Ota would like a chance to change the status of both men....Victor Rivera still a ruffian. Boy, has he changed over the years. Rivera still campaigning in California rings....Dos Diablos doing quite well for themselves in Florida tag-team competition...The Samoans, Affa and Seeka, managed by Captain Lou Albano, dumped the popular tag-team of Ivan Putski and Tito Santanna in a recent outing. Samoans are some tough comers....

Speaking of Lou Albano, he has now tried more than a few times to take on Pat Patterson, but Pat is just too much. How much blood will Albano spill before he realizes how deadly the Intercontinental Champion is?

Larry Zbyzsko got a win via disqualification over former buddy and teacher Bruno Sammartino, and quickly claimed that he "beat Bruno". Of course, Bruno got disqualified while beating Larry to a pulp, and throwing across the ring the ref who tried to break it up. Larry's shallow victory was short-lived, because in a rematch, Bruno left no doubt as to who the winner was: Bruno Sammartino.

Sammartino incidentally is still recognized by a great number of fans and wrestlers as the no. 1 man in pro wrestling today. He is not yet wrestling for titles, but is meeting and beating the best challengers. Bruno is recognized as one of the great wrestlers of all time, and lives in the hearts of a large segment of fans as the "true champion."

Knoxville, Tennessee, fans have noted a heating up of feelings between popular Buzz Sawyer, and the very rough-and-tumble Dynamite Bobby Jaggers. Jaggers has been appearing at ringside at local arenas, intensely studying and eyeing the popular Sawyer. Sawyer has openly stated a desire to meet Jaggers in the ring, and is not happy about comments that Jaggers has made about his ring abilities.

During one recent match, Sawyer was polishing off an opponent, and again Jaggers appeared at ringside. Sawyer scored the winning pin, and Jaggers leaped to the apron. Sawyer advanced, and Jaggers backed off. The ref then raised Sawyer's hand in victory. As Sawyer acknowledged the fans' cheers, Jaggers quickly leaped from behind, and stunned Sawyer with a knee to the back. Jaggers pounced on Sawyer, who fortunately reversed things. Sawyer stomped on Jaggers, lifted him up, and hurled him across and out of the ring. Jaggers made a quick exit to the dressing room. Buzz was red hot, and rightfully so. It looks like this could be the start of something big between these two.

We noted earlier Davey O'Hannon's comments about Bugsy McGraw, and their success in Canada. Davey O is now back in the World Wrestling Federation, and has done quite well for himself. He returned to Madison Square garden after a long absence with an impressive win, and returned to solo competition with success televised bouts. Davey is a very talented competitor, even though he will be the first to let you know it: modesty was never one of his great traits.

We saw a match recently with a new tag-team combination: Intercontinental Champion Pat Patterson, and the very talented Rene Goulet. Needless to say, they were quite a duo, and won handily against rugged opposition.

Larry Sharpe on the move again... from Puerto Rico, to Hawaii, and back to the East. Sharpe looks sharp, and really is on the winning trail.

Even Rock Hunter, outspoken manager of Ivan Koloff and Alexis Smirnoff, Georgia Tag-team Champions at this writing, had to admit that the popular young combo of Ted and Jerry Oates did a "fine job" in their unsuccessful attempt to win the belts from the Russians. "Ted and Jerry are a well-oiled machine," Hunter notes. "They are a good tag-team. However, the Russians are the very best tag-team, and Ted Oates was wide enough to submit to Alexis in the brutal hammerlock he and Kiloff continually applied, before permanent damage could be done." Incidentally, the big feature in this issue highlights all of the top men in incredible competition on the Atlanta scene, and no true mat fan should miss that article.

Trouble on the Kansas City, Kansas, scene! Ernie "Cat" Ladd, a huge man, at 6'9" and 312 pounds, teamed with another giant, the 299-pound Bruiser Brody, to win the Central States Tag-team Championship. Ladd and Brody won the belts in a big Central States tag tournament, against some very fine competition. It's going to take some doing to knock off a team like Ladd and Brody, who on an individual basis are two of the top men in the world today. By the way, thanks to correspondent Dave Cerullo for the hot info on the Ladd-Brody success.

Incidentally, a team that might have given Ladd and Brody a run for their money for those belts was Ed Wiskoski and The Avenger. However, Ed and the Avenger split up. Each man blames the other for the split. At one point in their biggest match, Ed, for some reason, refused to tag the Avenger. After several refusals, Avenger went to the corner and punched Wiskoski. Ed left the ring. The Avenger continued on by himself, but eventually the two-on-one situation cost him the match.

Wiskoski claims that the Avenger "wouldn't listen when I told him what to do and how to do it. He thought he was as smart as me, and he wasn't.

Because the Avenger wouldn't follow orders, he cost us several matches, and we didn't win the Central States Tag Title."

Asked why he refused to tag, Ed said that "it was too late, a lost cause with him as a partner."

Avenger had other thoughts on the split. "Ed could be a great wrestler, but he has a mental problem," Avenger advises. "He feels he is some super being, above others. I want to face Wiskoski in the ring, to prove to him by beating him that there are others as smart as or smarter than he is."

Meanwhile, some other tag-teams getting along a bit better than Wiskoski and the Avenger did. For one, Chief Jay Strongbow and Lars Anderson looking good in the south these days as a newly formed tag-team for a number of outings.

And big congratulatioins to Pat Patterson and Andre the Giant for their very convincing win in Madison Square Garden before a record 27,000 fans (in the Garden and watching via closed-circut T.V. in the Felt Forum) as they devastated Ken Patera and Cowboy Bob Duncum.

Andre and Pat had obviously worked out a number of moves together, because they dominated from the opening bell. Both Patera and Duncum took a great deal of punishment. Finally, Pat dumped Patera from the ring and clamped a figure-4 legvine on Duncum. As Pat put on the pressure, Andre raced across the ring with a "big splash" on top of the Cowboy. The ref tolled the three-count on Duncum, and that's all the wrote!

Bad, Bad Leroy Brown still after Dusty Rhodes in rematches for that Southern Heavyweight Title...Bruiser Bob Sweetan invading the Kansas mat scene. We hear that he is after the individual Central States Title, held by The Assassin.

Ox Baker making a big entry into the World Wrestling Federation. Baker is looking good, and managed by the Grand Wizard. Meanwhile, Tor Kamata has also returned, under the care of Classie Freddie Blassie.

We would like to mention once again that great East Coast publication Rasslin' Wonders. This is properly billed as "Pro Wrestling's Most Exciting Publication", with thrills and excitement galore. It has stories and news about all your favorites. You can get a copy by sending $1.50 to Rasslin' Wonders, Box 193, Glen Rock, N.J. 07452. Try a copy and see how great it is. We never miss an issue!!!

Mike O'Hara, President of the "Bulldog Brower Fan Club", Box 651, Gracie Station, New York, N.Y. 10028, wrote to us with some interesting Brower facts that he asked us to pass on to you. In 1964, the Canadian Broadcasting Company did a documentary on Dick Brower entitled "The Story of a Wrestling Villain". Also, Brower never lost the North American title that he won in 1975 — he still has it. Brower is 5'10", weighs 272 pounds, and sports 20" arms. Thanks, Mike, for these interesting tidbits. By the way, for those of you interested in this first class club (we've seen the great bulletin), write to Mike at the above address. Send $6.00 (six dollars) for a year's membership, and get in on "Brower Power", the club bulletin.

Fabulous Moolah, still touring in both single and tag bouts with her Woman's World Championship still secure. Moolah had held the belt for over two decades, and always seems to save a match at the last split second to come off with a win. You've got to hand it to her — she is the best.

There are a few ladies, however, whom Moolah had better watch out for. For instance, Kitty Adams has great skill, speed and experience, and would surely be a challenge for Moolah. And Joyce Grable is a gal with great fan support as well as her super ring moves, and could also topple Moolah one of these days.

Kitty Adams, incidentally, is wife of wrestler Mark Tendler. Both have done well in the pro ranks, and they call New York "home", although the mat wars take them all over the nation.

Another man hot on the heels of N.W.A. kingpin Harley Race is the very capable Dick Slater. N.W.A. President Bob Giegel has promised Slater another shot at the title, and for good reason! Slater pinned Race to win a grudge tag-team match, as Slater and Andre the Giant downed Race and Killer Karl Kox in a Tennessee wingding. Slater, in his previous single match with Race, had Harley in deep trouble, and Harley got himself disqualified to save the belt. Slater has been wanting another crack ever since, and his pinning Race was a circumstance that would trigger the inevitable match to happen all the sooner.

Race, who does not want to meet Slater again (just as he doesn't want to face Tommy Rich or Mr. Wrestling II) quickly put out a bounty on Dick. Wrestlers such as Harley's friend Kox, Toru Tanaka, and The Angel are rumored to be quite interested in collecting. In fact, in one match when Slater was facing the Angel one on one, and finishing him off, both Karl Kox and Dynamite Bobby Jaggers interfered to make it three on one against Dick. Fortunately, Buzz Sawyer and a few others were nearby, and came to Dick's aid. Not only was Dick not hurt in the incident, he managed to get a few licks against Kox before the Killer fled the ring with his allies. Sorry, Harley, but we don't think you can stop Slater with others — you'll have to try to do it yourself!

Ken Patera, "The World's Strongest Man", looks meek and mild here.

Chic Conavan, a capable young competitor, has proven popular among fans in his Florida and Georgia appearances, although he has faced defeat against some of the meaner opponents in those areas. Donavan recently showed how game a competitor he can be against the mighty Killer Kahn in Columbus, Georgia. Although Kahn attacked brutally with a face claw, Chich wouldn't give up, and fought his

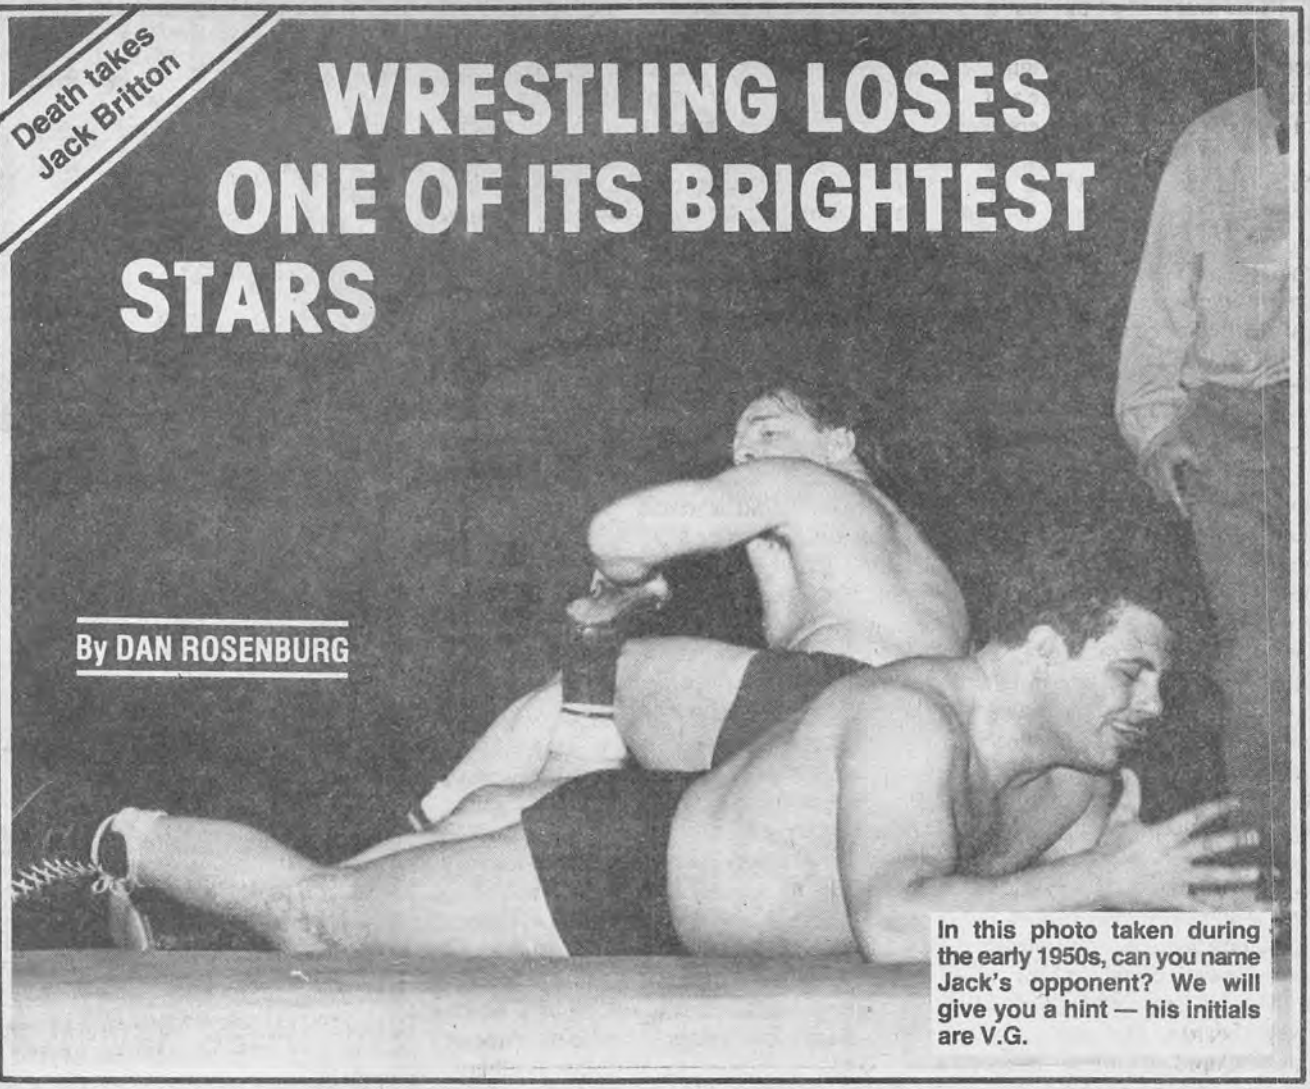
Death takes Jack Britton

WRESTLING LOSES ONE OF ITS BRIGHTEST STARS

By DAN ROSENBURG



In this photo taken during the early 1950s, can you name Jack's opponent? We will give you a hint — his initials are V.G.

Like clockwork, the wrestling reporter's telephone would ring every Friday morning.

"Landsman, would you like our card for next week's wrestling show?" the friendly promoter would ask.

"Landsman?" the reporter would reply, feigning ignorance.

"Oh, I'm sorry," the promoter would laugh, "I thought you were Italian too."

Then we'd both laugh and Jack Britton would go about the business of providing me the details of his weekly Montreal mat shows.

As of February 10, 1980, that ritual came to an abrupt end. Jack Britton, the gentleman's gentleman, and renowned the world over for his work as booking agent for midget wrestlers during the halcyon days of the 1950s and '60s, died at his home of a heart attack while playing cards. He was 63.

Left to grieve his death were wife Eleonard, sons Gino and Peter Brito, daughter Claudette de Fruscia and brother Lou Kelly, along with thousands of wrestlers, promoters and fans all over the globe.

"We received telegrams from all over," attests son Gino Brito, who now inherits the Montreal promotership. "We got condolences from as far away as Hawaii and Europe, where promoter Alex Goldstein sent a wire."

How they all learned about Jack's death is a mystery because "I didn't think of calling everybody," says Gino. "but they all knew." Which is a tribute both to Britton's popularity and the effectiveness of the wrestling grapevine.

Some two dozen wrestling personalities were among the mourners at Britton's funeral at the Notre-Dame de Pompei Church in east-end Montreal.

Born Gabriel Acocella in Montreal back in 1916, Britton was bitten by the wrestling bug at the age of 17 and never gave it up.

"I watched him wrestle in the old days, but not that often," recalls son Gino. "Most of the time I was too young. He was out of town a lot, wrestling in Detroit, Boston and the Maritimes."

One of Gino's most vivid memories of his dad in action was a rare trip (for Gino) to Boston where he saw his father wrestle Bull Montana and an excursion to the coast where Jack matched holds with the famed Baron Leone.

But Britton's toughest opponent was undoubledly one of the greatest of them all, Vern Gagne.

"Dad was one of the first to wrestle Gagne after Gagne turned pro," Brito recalls. "Before that Gagne was the Big Eight champ in college and was one of the best amateur wrestlers ever."

Most of Britton's bouts were in the Michigan territory where he usually competed in the junior heavyweight category. There were three weight categories in those days, but now practically every pro wrestler is automatically billed as a heavyweight.

In 1954 at the age of 37 Britton retired from wrestling to concentrate mainly on pushing his midgets whom he had taken under his wing after the war.

"After the war people were open to any type of novelty to help them forget the violence and chaos," Brito remembers. "My dad wasn't the first to come up with the idea of midget wrestling, but he did originate the idea of booking them all over the country.

"He set up an office in Detroit and operated from there. As a wrestler, he had developed lots of connections and contacts for big arenas like New York and Buffalo. The midgets caught on and before they were through they went into all 50 States, Canada, France, Japan, Germany and England. They were a smash hit everywhere."

Among Britton's tiny proteges were Little Beaver, Sky Low Low (a take-off on Sky Hi Lee), Tiny Tim (who later grew a beard and became Little Brutus), Fuzzy Cupid, Comboy Bradley, Tom Thumb, Lord Littlebrook, Farmer Pete, Peewee James, Irish Jackie, Brown Panther and countless others.

"Personally, I grew up with the midgets," Gino recalls. "I saw them wrestle from 1952 on. Sky and Beaver were my friends."

Britton was the largest booker of midget wrestlers. Standing in front in this 1959 photo are stars (L-R) Little Beaver, Fuzzy Cupid and Tiny Tim. Britton is standing behind Cupid.

Yet Little Beaver recently wrote a book on his life in which he accuses Gino's dad of "exploting" him.

"Beaver figured he didn't get enough out of it," Gino explains. "but Dad was merely a booking agent, not a promoter. All Dad took was a percentage. Some midgets made as much as $1,000 or $1,200 a week. The late Fuzzy Cupid made $50,000 one year." And that was 25 years ago, before inflation!

"To Beaver's complaints, I have only this to say," continued Gino. "What would they have done for a living if Dad hadn't made wrestlers out of them? And who can you blame if you have no money left?"

In any event, the big midget wrestling boom fizzled out in the mid-sixties. "It levelled off because midget wrestling had been around for 10 years and the novelty wore off," Brito says.

Despite the slackening off of interest in his midgets, Britton stayed on in Detroit to help in the promotion end of the business. He returned to his native Montreal in 1966 where he worked for Eastern Sports Enterprises under Johnny Rougeau and Bob Langevin.

A few years later Britton sold out his interest in the Montreal group and formed Northland Wrestling promotions in partnership with Larry Kasaboski in Northern Ontario. Among their principal towns were Sudbury, Timmins and North Bay.

With wrestling in Montreal at a standstill and promoter after promoter going down the drain, Britton bought the once-lucrative territory.

"Since Dad took over, I admit it's still been a losing proposition," Gino says. "But he paved the way for things that might be happening to bring back the crowds now."

By that Gino refers to a recent agreement between the Montreal office and the New York office of the legendary Vince McMahon, whereby dominant figures such as Pat Patterson, Big Bob Duncum, Lou Albano and Hulk Hogan have burst onto the Montreal mat scene.

But, first things first.

"When Dad first took over the Montreal territory, the crowds were down to the vicinity of 700 people at night. Wrestling had developed a bad name and there was no interest whatsoever. It took three or four years for the

cycle to go completely around and give wrestling in Montreal its credibility back."

The breakthrough was the establishment of a big-time pro wrestling TV show out of New York which is shown in the U.S. border town of Burlington, Vt., whose UHF channel is piped into most Montreal homes 90 miles away. The weekly program, featuring all the WWWF superstars such as Bruno Sammartino, Ivan Putski, Ken Patera, Bob Backlund, Tito Santana, Patterson, Duncum, the Samoans, Albano and Hogan, naturally whets the appetite of most Montreal fans to see these awesome figures in person.

In addition, Brito is planning to sign an agreement with Newfoundland promoter George Cannon who produces a weekly TV wrestling show that is carried on a Montreal channel. They, too, will formulate a cultural exchange that will bring the likes of Cannon, Otto Von Heller, Luis Martinez and Hartford Love to Montreal. In return, Brito will make periodic appearances in Newfoundland along with Edouard Carpentier, Tarzan Tyler and other well-known Montreal grapplers.

In vies of all these ambitious plans, it is most unfortunate that the man who pioneered them — Jack Britton won't be around to see them reach fruition just when Montreal seems on the threshold of once again becoming the thriving wrestling stronghold it once was.

As irony would have it, the first breakthrough wrestling show at Montreal's Paul Sauve Arena, featuring WWF stars Pat Patterson and Lou Albano in a well-promoted and much-anticipated event, was scheduled for the night after Jack Britton's death.

Although he probably wrestled with his conscience and toyed with the idea of cancelling the show out of respect to his father, Gino carried on in the time-honored tradition of "The show must go on."

"I didn't want to disappoint the fans," Gino said later. "There was so much interest in the bout that I'm sure Dad would have wanted us to go ahead with it."

As a result, the program took place as scheduled and the largest crowd to invade a Montreal arena in some years watched Patterson register an easy victory over Albano. One couldn't help thinking that the cheers were as much for Jack Britton as they were for Pat Patterson. □

The Peaceful Man's Way to Win Fights

'If You Can't Avoid Trouble, At Least Avoid Losing'

I used to turn the other cheek. Ignore insults. Walk away from a fight. Out of *fear*.

All too often, my enemy looked too powerful to even try to beat. He won—hands down.

These days, I walk away for a different reason. I'm no longer afraid for myself. Now, I'm afraid for the *other* guy.

If he doesn't watch his step or his mouth, I can put him in the hospital for a couple of months. Or *worse*.

Since I developed my Peaceful Man's Way, trouble-makers seem to stay clear of me. Somehow, they sense that I can take them. If I *want* to.

It's as though I had an invisible bodyguard at my side 24-hours-a-day. Ready to spring to my defense instantly. To finish off anyone foolish enough to start up.

Yet, I never had a boxing lesson. I exercise much too little. And I am not a "muscle-man."

I go anywhere with confidence. Not looking for a fight, mind you. But perfectly able to handle the situation if one is absolutely unavoidable.

I'm positive that the Peaceful Man's Way will do for you what it did for me. Maybe more.

So positive, in fact, that I'm willing to let you *try* it out for 30 days without risking a penny.

To prove that you can promptly take care of any attacker with a few unexpected fight-winning surprises.

Such as a "little-finger" trick that cuts a tough wise-acre down to size.

A move with your wrist that makes him scream in excruciating pain.

Another with your foot that delivers eye-watering misery.

A devilish hand-clasp that breaks a choking strangle-hold. Topped by a follow-up that's a knock-out.

Just because you're peaceful doesn't mean that you have to be a victim. You may still look and act like you wouldn't hurt a fly. But heaven help the pest who mistakenly thinks you are an easy mark. A meek lamb anyone can push around with no come-back.

Instead, you turn into a tiger. Someone able to stop a mugger cold. Someone who can make a bully cry like a baby. Someone who *ends* fights the other guy begins.

I remember the last time I was forced to use the Peaceful Man's Way. This bruiser was a foot taller and fifty pounds heavier than me. A human King Kong.

I floored him in five seconds flat. He was totally stunned. I'll never forget that dazed look in his eyes as he asked himself "how?"

My wife knows how. I taught her and my kids. Child or adult, man or woman, anyone can learn how. And *should*.

You watch TV. You read the newspapers. Personal crime is our number one problem. Everyday, it's another rape, another mugging, another outrage. Don't wait until it happens to *you*.

Be prepared to save your life or prevent needless injury. With easily mastered techniques like these:

- **The very first thing to do *before* a fight.**
- **How to overcome the *mental* block that ties your hands.**
- **How to stop being *polite*—and retaliate.**
- **How to use your feet as *deadly* weapons.**
- **How to throw a heavyweight for a *loop-de-loop*.**
- **5 ways to *paralyze* an aggressor.**
- **The *secret* weapon that terrifies any opponent.**

Plus dozens of ingenious "tricks" requiring no more skill than shaking hands. To keep you safe and sound no matter what. Regardless of your age, size, build, or strength.

I must warn you: Simple as they are, these methods can be *fatal*. They must be. Otherwise, they would be valueless to you when you need them the most.

Hold them for that key emergency moment when it's either you or him. Then—*wham!*

When you're out with your family or friends, it's great to know that you are *covered*. If you can't avoid trouble, at least avoid losing.

I'll be glad to send you a Review Digest of the Peaceful Man's Way to look over with no obligation whatsoever. In plain language, it reveals all the benefits and applications of my material.

In addition, the Review Digest offers you a special plan to test the Peaceful Man's Way for one whole month without risking one cent.

It could turn out to be the biggest bargain of your life. Just one use at the *right* time and you'll be miles ahead. Unscathed, with your pride intact. And alive!

For prompt shipment, simply mail the coupon with only $1. My unconditional money-back guarantee protects your investment. Later, my Peaceful Man's Way will protect you.

Return the coupon and I'll prove it to you. At my sole risk—not yours.

Times, the leading paper of the islands.

Discussing her trip to Fiji, she said:

"They didn't believe at first that I was a wrestler, but when the press came out with reports about me, they all began to get excited, and started popping questions at me."

Debbie and her friend Melinda Vaughn, off for a flight to one of Debbie's island matches.

Debbie won one match, drew one and was victorious in the other when the masked terror was disqualified for refusing to break a choke hold.

This lovely girl not only has been places, she is going places!

Debbie was only 16 when she started to wrestle. As a youngster she played basketball, rode horses, did some jogging, and was always fond of animals. She still loves dogs, and her favorites are German shepherds.

She readily admits she loves the cheers of the crowd, and meeting people. She enjoys flying, and among her favorite trips to wrestle have been those to Hawaii and Puerto Rico. She likes the glamorous life, as do most girls her age.

She likes sun-bathing but, with her fair complextion, she has to do it a little at a time.

So far she has only suffered one major injury, a fractured rib.

"I intend to keep wrestling as long as I can keep the people happy, and don't suffer any serious injury," she confided.

Information for girl-watchers:

Debbie is single — but sorry, boys, she isn't interested in marriage at this state of her life. Oh yes, her measurements are 37-20-36. ☐

has time to open his mouth before an act of mayhem is completed.

Such tactics haven't exactly made the Kelly Twins favorites of the fans, but it isn't uncommon to see the Kellys cheered when matched against the likes of the Castillo Brothers, the LeDuc Brothers, the Davidson Brothers, the Alaskans, the Assassins — the toughest team the Kellys say they have wrestled or Rick Flair and Johnny Fargo. (Greg Volentine).

Outside the ring the Kelly Twins, insiders will attest, are surprisingly regular people. While they might be found twisting arms on any given night, they also can be found fondly tinkering with antique cars — their hobby — on any given day. Among the favorites in their collection are a 1962 Studebaker Avanti and a 1955 Ford Thunderbird.

As one promoter points out, "The Kelly boys could be big fan favorites in any arena if they'd just stick to the rules. But they've made the choice to wrestle the way they do."

John Benello is caught by the Twins and partner Ali Baba during a tag-match in Detroit.

"We used to wrestle clean," Mike recalls, "until Pat got his hip broken and face busted up by a wrestler named Vic Rosittani. So we just quit being nice guys." After taking the punishment and suffering numerous injuries to their hips, knees and so on, the Kelly Twins spend most of their time these days dishing it out.

Of course, the big white skull sewn onto the trunks of each Kelly doesn't help their image much with the fans.

"So what?" snorts Pat. "We wrestle to win, and if the fans don't like it that's too bad for them. We're wrestlers because we love the sport, not the fans. The Kelly Twins are winners, and that's what matters to us." □

Kowaslski was angry that Von Erich had been pinned. Waldo was upset that Killer had decked him instead of Marino. Words quickly turned into violence, and, to fhe fans' delight, Kowalski and Von Erich started a slug-fest. The ref awarded the match promptly to Marino and Rivera, but this didn't stop the two wildmen who were now out to destroy each other.

Kowalski leaps for joy — on top of his opponent.

Later that night, it was announced that Von Erich and Kowalski would face each other on the February show.

And sure enough, when Von Erich marched down the aisle, he was met by jeers, catcalls, and boos. Then Kowalski came running down the aisle, and was cheered to the heavens!!! And once the bout got under way, the crowd roared with approval at every move Killer made against the German. For the crowd detested Von Erich even more than the Killer, and had picked Kowalski not only as the lesser of the two evils, but as a man who could punish Waldo like no other man for his dirty deeds.

The match was wild, as you would expect, and again things went out of hand. Both men wound up disqualified. But Kowalski got a standing ovation as he left the ring.

"Great job, Killer!" chimed one fan.

"You destroyed that German!" proclaimed another.

And such was the magic night when Kowalski was cheered! □

POSTER HUNTING

I have been asking around about where to get a wrestling poster that I have heard about. It has some of the top stars, including Bruno Sammartino, Mil Mascaras, Andre the Giant, Chief Jay Strongbow, Bobo Brazil and others, all on one big wall-poster. Can you tell me how to get it? Thank.

Scott Pachinsky
White Plains, N.Y.

(Sounds like you're looking for Super-Poster, which has recently been advertised in this magazine. the poster is currently available for $3.00 by mail. send to Rasslin' Wonders, Box 193, Glen Rock, N.J. 07452, and ask specifically for Super-Poster. And tell them that you read about it in Wrestling Revue! — Ed.)

SHE LIKES GARY

I wanted to write to you about your article on that fine-looking young man, Gary Cappetta (June 1980 Wrestling Revue). I watch Gary here on T.V. each week as he announces the best wrestlers that I have ever seen.

It was very interesting to see another side of a man involved with a rough sport like wrestling. Gary's interests in music, theatre, and the Spanish language go to show how diverse people invilved with this sport can actually be.

Mrs. J. L. Hughes
Boston, Mass.

Editor's note: Well, this isn't music or theatre, but we recently got hold of a photo that we'll print here to give you another look at Gary Cappetta doing his thing. Thanks to Daniel Treffinger, a member of Gary's fan club, for sending along the photo. □

way out with elbow smashes to the skull that sent Kahn reeling from the ring. Although Killer Kahn emerged the winner, it is obvious that Donavan is improving, and may one day prove to be a top contender.

Speaking of Columbus, Georgia, it sports an excellent live televised show every Saturday. This is unique in a day where just about every mat show is videotaped.

Dutch Mantell has returned to Tennessee arenas, after a five-year absence. It was five years ago there that he was co-holder of the Southeastern Tag-team Championship. Mantell made a very impressive return, flattening Jerry Roberts quickly in his first appearance. Dutch has indicated that he wants to meet the best in the area, and would like to face Dick Slater at the earliest opportunity.

Hot Flash! Just as we go to press, we have learned that Buzz Sawyer has defeated Dynamite Bobby Jaggers to win the Southeastern Television Championship, in the final match of a big tournament. Sawyer battered Jaggers severely, and won when the ref stopped the event due to Jaggers' excessive bleeding. This gave the match and trophy to the young Sawyer.

Reports of David Sammartino, son of Bruno, being very successful in his initial ring wars in Texas. He'll surely be one to watch, another potential legend in the making!

Captain Lenny Dauber, one of our prime correspondents, once again has a run-down on new champions. George Wells won a version of the U.S. title in California, while Ted DiBiase with a version of the North American title in Louisiana; Jim Brunzell wins the Mid-Atlantic title; Dory Funk Jr. and Terry Funk take a version of the world tag belts in California; Superstar Billy Graham new Texas Brass Knucks champ; Peter Maivia wins the Hawaiian Heavyweight Title; Larry Latham and Wayne Harris win Mid-American tag belts; Mr. Hiro and Mr. Sakuruda American Tag Champs in Texas; Ricky and Robert Gibson win a version of the Southern Tag belts in Nashville; Assassin wins Central States belt, and then loses to Bob Brown; Ron Starr Jr. Heavyweight Champ in parts of N.W.A.; Ernie Ladd wins Louisiana State Title. Referee Max Ward gives "Mighty John" Quinn a warning as British heavyweight champ Tony St. Clair is all tied up.

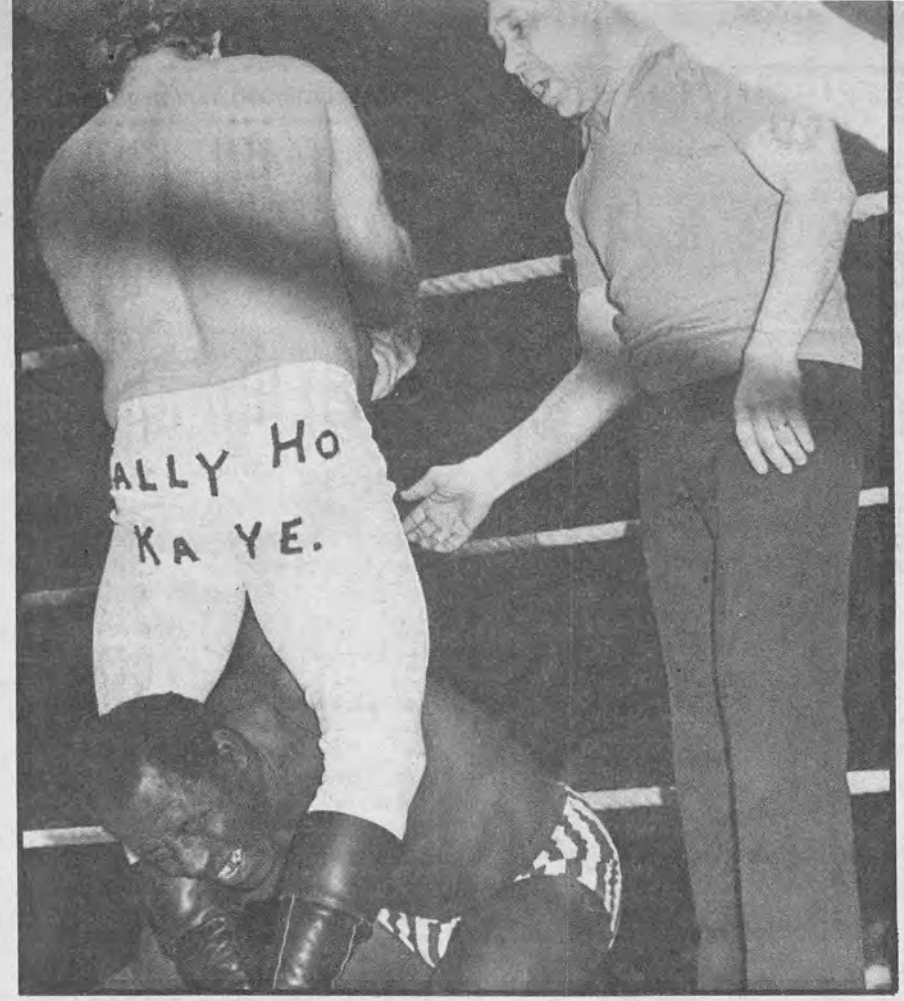
are not small men either. Kruger weighs in at 18½ st. (259 lb.) and his partner 16½ st. (231 lb.).

The Springboks were soon in the lead, with Kruger getting a flying crosspress over Strong. The bout lasted 12 minutes as Quinn, once getting into action, accounted for both the Springboks following bodyslams and press falls. Quinn plans to get his revenge over 'Big Daddy' as soon as a return bout can be made, and another ambition is to take the world heavyweight title, at present held by Wayne Bridges.

Caswell Martin gave away a great deal of poundage to Honey Boy Zimba, but he got the better of a one-fall match after 11 minutes from a flying tackle and crosspress.

In a welterweight needle match, Steve Grey faced up to the British champion at welterweight, Jim Breaks. These gladiators have met each other several times before this, and this was no exception, proving indeed a great bout.

British lightweight champion Steve Grey gained the first fall of the match, and generally forced matters in the early stages, but Breaks came back to equalize with his arm-lift submission. As Breaks began to weaken from the gruelling pace set by Grey, the latter put on even more pressure, and gained a submission from a back-breaker to win the battle.



Tally Ho Kaye has Johnny Kwango in a painful wristlock.

Pete Roberts, better known these days as 'The Super Destroyer', went in against British heavyweight champion Tony St. Clair. Although giving away more than 20 lb. to the champion, Roberts gained the first fall, but St. Clair came back to win by gaining the next two falls. For fans who appreciate good wrestling, this was a classic. However, when St. Clair met Mighty Quinn a week later, he lost in a rough-house affair. Quinn is too powerful a man to try to elbow-slam into defeat, and more so with anything like a weight advantage of 70 pounds.

The Springboks ran into serious trouble when they went into a tag match against 'Big Daddy' and Pete Ross. They did well against Ross, who can easily make the welterweight limit of 11 st. 11 lb. (165 lb.) and when both would enter the ring at the same time, referee Peter Szakacs was very hard-pressed trying to keep law and order. Once 'Big Daddy' went in against the Springboks, who were flattened by bodyslams and sploshes when 'Big Daddy' applied his 350 lb. bodyweight. Since then the Springbocks have had to return to South Africa to nurse the injuries sustained in tangling with this superheavyweight. □

"Let Me Give You, In Less Than 5 Minutes, Three Foods Which Can Almost Miraculously Cause You To Eat Away Sexual Problems—"

THESE ARE THE THRILLING WORDS, DEAR FRIEND—

of Dr. Marsh Morrison . . . but they are just the beginning! Because, if you suffer from the emotional strain and drain and embarrassment of continued "low-scale" sexual performance—or even actual impotence itself—then you must read and even memorize every one of his following words:

"Does being impotent mean to you the inability to get and maintain an erection? Even if this is true right now, you may be astonished to know that you are NOT physically impotent!"

"How can I say this? Because if you ever—but ever—rise out of bed with a morning erection, then you most certainly have the physical equipment for an erection when and where you wish it."

Even If It Happens Once In A Blue Moon, THE POWER IS THERE!

"The great thing that has worked in my practice will doubtlessly work for you also, unless you are different from almost any other man I know—*and you are not!*"

"So Realize That YOU HAVE WHAT IS NEEDED To Be Fully COMPETENT In The Act!"

What you need, says Dr. Morrison, are three simple, at-home aids that *"have been known to work wonders in rebuilding and restoring health in disorders of the male sexual apparatus!"* These are:

1. Three common and inexpensive foods, described below.
2. A quick and easy way to *unblock* the nerves which convey power to your sex organs. AND
3. How to overcome psychological impotence: An ingenious 5-minute trick, given to you on page 32 to 38 of this great new Report, that (combined with the foods that fairly eat away your impotence) "will, in the vast majority of cases, *cause you to walk the earth lordly and securely in the world of sex!*"

Now Let Us Look At The Foods Themselves! There Are Only 3 Of Them! They Cost Only Pennies A Day! But, Dr. Morrison Says That Once You Eat Them, You Are FUELED For Sex!

These, he says quite bluntly, are the three individual food items *that tend to reverse impotency, and bring back normal potency!* They are actually "helpful in *rebuilding weak sex organs,* because of their high content of organic iron, *the mineral that gives strength!*" Furthermore, he has conducted startling research that has convinced him that just one of them alone has "a *lasting influence* on upgrading man's virility, and, in ways unknown, but clearly observed, *regenerate and revitalize the sex organs!*"

In Fact, Says Dr. Morrison, Even If Your Doctor Has Prescribed Testosterone For Your Impotence TRY THE ONE SIMPLE FOOD GIVEN TO YOU ON PAGE 64 INSTEAD!

In fact, he goes on, "I challenge the whole idea of any human need for drug-prescribing. For emergencies or first-aid, yes. But for achieving and stimulating cures, no! And for reversing the symptoms of impotency, or reducing swollen prostate glands, *never!* The natural ways must first be tried. Almost without exception they help the sufferer. *And always they are natural, without any side effects at all!*"

AND FINALLY: "If you search for aphrodisiacs to aid your condition, they don't. They are merely other drugs that invariably do harm. But, instead of tincture of cantharides or the like, *just remember that it is an overload* of (the bonus foods given you on page 49) that, in human terms, serves *with an aphrodisiac effect!* If you care to prove it, merely consume (a meal of these foods), and then note how eager you are for sexual encounter!"

But This Is Just The Beginning! Because, Says Dr. Morrison, At The Same Time That You Are Eating Away Your Impotence, YOU ARE ALSO EATING AWAY YOUR URINARY AND PROSTATE PROBLEMS!

For, he says, "In research projects where (just one of the ingredients found in just *one* of these three wonder foods) was given to prostate gland cases, *with nothing else by way of treatment used,* a dramatic majority of these patients showed reduced symptoms of enlarged prostate . . . a more complete emptying of the urinary bladder in nearly all of the patients . . . less tiredness and an increased libido, which showed itself in a higher sex urge . . . a complete end to dribbling of urine in almost all the cases . . . and, in some two-thirds of the patients, there was *an end* to getting up at night to void urine!"

And then he goes on to amass case history after case history—each one more startling than the other: "It has been discovered that three of the essential amino acids resident in the natural proteins can *all by themselves* rather spectacularly reduce enlarged prostate glands . . ."

AND FURTHERMORE: "Among the peasants of Balkan countries and the Gypsy tribes of Transylvania, Hungary, Rumania, there is the startling fact that *enlargement of the prostate gland does not exist, or nearly so* . . . All these peasant and mountain people eat (this food) every day the way we use popcorn or chewing gum." In fact, he goes on to say that "some researchers believe (these foods) do their magic *because they contain a natural male hormone that is needed for good sexual performance!*" "Any wonder (they) present prostate gland enlargement, *and can be called 'the specific' for combatting impotence in the average man!*"

AND, AS AN EXTRA BONUS: "One eminent research worker (Dr. B. Plater) wrote in the *Journal of Healing and Seasoning Plants* that: 'Anyone who has studied the influence of this plant . . . among peasant people *has been astonished over its effect in putting off the advent of old age!*"

AND FINALLY: If you rise frequently at night, you will find that the method on page 48 *exceeds in results* anything the medical savants can offer you out of their vast pharmacopeia—*and with no side effects!*"

These, Then, Are The Fundamental Promises Dr. Morrison Offers To Prove To You, Without Your Risking A Penny! BUT HE ALSO GIVES YOU, AT THE SAME TIME, ALL THESE BONUS BENEFITS—

The three different kinds of *baths*—two calculated to help impotence *directly,* and one designed to improve the general health of the nerves! Easy and simple *exercises to strengthen the sex parts!* One found by him to be so effective that "in a little while you should be able to feel, and see, *your own sex organ coming out and up by force of your own muscular control!*" The delicious tablespoon of natural food that not only helps strengthen the sex drive, *but is also often recommended by Dr. Morrison for quick relief of arthritic symptoms!*

PLUS: A special way to reduce or even eliminate cholesterol from the body (page 24)! The delicious "sex food" that has also helped relieve or eliminate the symptoms of leg cramps . . . shaking palsy . . . eye disturbances . . . and mental dullness caused by clogging of the arteries (page 26)! Plus food after food that assists in restoring health in cases of eczema . . . sleeplessness . . . epilepsy . . . bursitis . . . anemia . . . and ailments of the liver, kidneys and digestive organs (pages 26 through 31)!

No Wonder He Says That "The Aim Of This Program Is Not Just Merely To Get Rid Of All Reversible Sexual Problems—Including Impotency, Prostate Problems AND Urinary Problems–BUT ACHIEVING HEALTH, HEALTH, HEALTH . . . NOT DISEASE, BUT HEALTH!"

Dr. Morrison's complete *How To Eat Away Your Impotence* method has now been released in a special condensed Confidental Report to those who need its help so desperately! This report has purposefully been made brief enough to read through, from cover to cover, in a single weekend. So that you do not have to wade through 300 useless pages to get its health-restoring information! But, as he says in his own words: "You have (here) what is the equivalent to the meaty essence of perhaps 100 scientific, technical volumes—plus the bonus of my own original researches!" The cost of this complete Confidental Report is a mere fraction of what you would ordinarily spend to treat all these maladies.

You can read it in a single weekend—put its remarkable principles to work for you the same night you first pick it up! You have absolutely nothing to lose—except pain, embarrassment and poor health! Examine it for 30 full days—at our risk! Fair enough? Why not mail the No-Risk Coupon now!

MARSH MORRISON
D.C., Ph.C., F.I.C.C.

He has been recognized by his profession, as one of its most prominent leaders, for decades! His teachings have been hailed, in print, by hundreds of chiropractors. Thousands of chiropractors have flocked to hear him during his lecture tours in 35 major cities of the United States—plus other world capitals.

Chiropractic doctors have repeatedly and gladly paid $60 to $120, just to attend one week-end seminar with him. Some of them, unable to attend, have paid $15, simply for a 20-page copy of his lecture notes.

Now Marsh Morrison has decided that teaching chiropractors how to take away pain . . . how to start natural healing again—*is just not enough!* Despite the vast good that all these dedicated men and women do all over America, *there are still millions of people who are not reached by them! And they should have the right to benefit from these secrets too!*

NOW—You can Live Like A King and never want again with the Miracle Power of...

OMNI-COSMICS

It's true! This hidden energy power responds at once to help you gain endless streams of wealth... control the thoughts of others... achieve protection from evil... make illness and pain disappear... and much more!

Dear Friend:

How would you like to be able to say a few words and transform an ordinary piece of glass into a MAGIC MIRROR which will produce all the riches, love, power, health and happiness you wish to create in your life?

Or how would you like to be able to say four power words to summon MAGIC SAGE who will come to your command any time you want him? Or say four other power words to help find lost people or treasure? Or nine words to heal an area of your body?

Now it's possible to do all these things and more–with the Miracle Power of OMNI-COSMICS. OMNI-COSMICS will enable you to perform the so-called "impossible" feats. With it, you will be able to attain a paradise on earth for yourself and for all those you love.

My name is Ann Fisher, and I'll tell you more about this amazing offer in just a minute, but first let me show you all the things OMNI-COSMICS will help you do . . .

- Produce money "from out of thin air".
- Make illness and pain disappear.
- Control the thoughts of others.
- Find lost people and treasure.
- Avoid problems before they arise by looking into the future.
- Win money in a horse race or a lottery.
- Travel astrally to faraway lands.
- Turn thoughts into solid material things.
- Repel black magic or voodoo attacks.
- Find your perfect mate and achieve marital happiness.

YOU WILL BE ABLE TO PRODUCE MONEY "FROM OUT OF THIN AIR!"

I'll show you how to use OMNI-COSMICS to achieve endless streams of wealth. And I'll tell you *right now* that whatever you desire, you can have–I MEAN ANYTHING–and it can be obtained quickly and easily.

You may want a new car, a new home, a swimming pool, a mink coat, a diamond ring, an exclusive apartment, a fabulous vacation, some money to clear up your debts, or an income *for life* of say $20,000, $50,000 or even $100,000.

Well now, with OMNI-COSMICS, you'll see how to materialize the miraculous things you desire . . . You can become as wealthy as you wish . . . You can live like a king and never want again! Just look:

• **POOR WOMAN WINS $100,000**—Florence, a woman in her forties, was short of money for years. I mean she was really poor. Her shabby clothes came from friends or the Salavation Army. She hadn't bought anything new for herself in many years. But six weeks after using an OMNI-COSMICS technique I showed her, a miracle happened to Florence–she won an whopping *$100,000* after buying an Irish Sweepstakes ticket.

• **FACTORY WORKER WINS $1,000 A WEEK FOR LIFE**—John R., a factory worker, was desperately in need of money for his rent, car payments and a pile of unpaid bills. He was discontented and unhappy and he could see no help in sight. But after doing an OMNI-COSMICS ritual I showed him, he bought a lottery ticket which paid *$1,000 a week for life*–enough to pay all his bills, take a long trip with his family, and build a new house!

• **STUDENT PICKS NINE WINNERS IN A ROW**—David A. needed money to go to college in the fall. He had never been lucky at the races, but he decided to try OMNI-COSMICS to finance his college education anyway. After performing the right ritual, he went to the track and picked out all nine winners and came home with a grand total of $1,600–which was enough for college that fall!

YOU WILL BE ABLE TO CONTROL THE THOUGHTS OF OTHERS–WITHOUT EVEN SAYING A WORD TO THEM!

With this Power, you can get the lover you want, change the attitude of a troublesome child, get a friend or neighbor to respond to your requests, or get a boss to give you that raise or protection you feel you deserve. You can influence a person to see it your way or do the things you want him to . . . you can stimulate the person's memory process, move his fingers, make him do what you want, repeat the words you want him to say, and do many other things. It *does* work. *No one can resist this command power.* See for yourself:

GETS SHY BOYFRIEND TO PROPOSE MARRIAGE — Marilyn K. was in love with Kevin. They had dated for two years and were very much in love, but Kevin was shy and couldn't muster up enough courage to propose. Marilyn then tried my method of contacting Kevin's subconscious mind and suggesting that he propose. Later–out of the blue–Kevin popped the question!

WOMAN GETS PROMOTION AND DOUBLES HER SALARY—Judy K. wanted to be promoted to a new position that was opening up where she worked. She knew she could handle the job, but she needed a chance to prove herself. A few weeks after she used an OMNI-COSMICS technique to tap her boss's mind, she was called into his office and given the job. A year later, she *doubled* her salary!

What's more, with the Miracle Power of OMNI-COSMICS, you'll be able to know the innermost thoughts of people in the next room or thousands of miles away–or even what a person is thinking when you talk to him on the telephone!

USE OMNI-COSMICS TO PROGRAM A PROTECTIVE FORCE AROUND YOU!

Today we live in an age with many negative influences around us. If you believe that voodoo and psychic assault does not exist in this Twentieth Century, you are incorrect. Negative forces *do* exist today and they *do* work.

Now, with OMNI-COSMICS, you can build a protective force around you so that *you will have nothing to fear at all.* That's just what John and Pamela did–and look at how they were saved . . .

• **INVISIBLE FORCE SAVES MAN FROM DROWNING**—John K., a fair swimmer, went out too far one day. When he was in the middle of the lake and there was no one in sight, he became very tired and started to sink. Somehow John, a regular user of OMNI-COSMICS, was saved. He didn't know how he got back to shore for he had felt an invisible force carrying him *over the top of the water* to land safely. OMNI-COSMICS saved him from drowning!

• **OMNI-COSMICS SAVES LIFE OF YOUNG LADY** — Pamela, a young student in one of my classes who habitually uses the protective powers of OMNI-COSMICS, was driving on a city street one day and heard a voice say "Stop or you will be killed." It was lucky she did, for another car went through the intersection at a high rate of speed. She would have been killed or seriously injured if she had not stopped.

You'll also see how, with OMNI-COSMIC protective powers, other people were able to repel a black magic attack . . . reverse a voodoo curse . . . travel with safety . . . get saved from a mugging attempt . . . and much more. THEY DID IT–AND SO CAN YOU!

SEE HOW TO USE OMNI-COSMIC POWER FOR INSTANT HEALING!

Do you want perfect health! OMNI-COSMIC healing power will respond *immediately* when you use the right power ritual. After a while, all illness and pain will disappear!

OVERCOMES SERIOUS KIDNEY AILMENT—Terry J., a dear friend of mine, had just found out that he had a very serious kidney ailment. His doctor told him that his condition would shorten his life and that he "needed rest." But two months after he used an OMNI-COSMICS health ritual I showed him, his doctors were amazed to discover that his kidneys were in *perfect working condition* and that *no signs of illness existed.*

HEALS ULCER AND IMPROVES BAD HEART CONDITION—Perry had a very bad heart condition and also a serious ulcer. His doctor wanted to remove his ulcer, but was afraid to operate because of the heart condition. But when Perry went back to his doctor after using an OMNI-COSMICS ritual I showed him, his ulcer had healed and his heart condition was greatly improved!

With my PERFECT HEALTH ritual, soon you will feel your body becoming stronger, healthier and more dynamic. I DID IT –SO YOU CAN! Just look . . .

I was told when I was very ill with asthma, that I would have to use a breathing machine three times a day for the rest of my life. My doctor told me that only one out of a hundred was ever cured of this disease.

But I refused to accept this. By tuning in my OMNI-COSMICS power, I was able to get better and eventually *cure* the asthma!

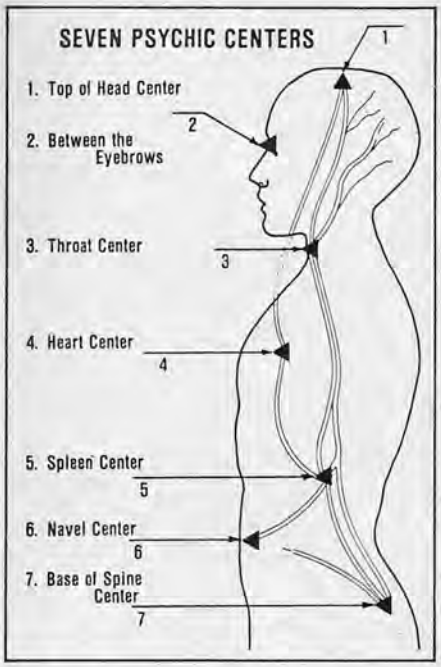
So why suffer from less-than-perfect health when you can discover how OMNI-COSMICS can be used to overcome nervous stomach, migraine headaches, skin blemishes, and insomnia . . . lower high blood pressure . . . and heal ulcers? In fact, with OMNI-COSMICS, you'll even see how to lose weight effortlessly and be more youthful with lots of energy!

MIRACULOUS WEIGHT CONTROL AND MORE YOUTHFUL ENERGY!

Yes, with OMNI-COSMICS, you can lose weight and *be thin for the rest of your life!* Look at these astonishing cases . . .

LOSES 95 POUNDS IN SIX MONTHS!—Samantha was 235 pounds at age 29. She had never had a date and was resigned to her dull life of work and watching television every night. But after using an OMNI-COSMICS ritual I showed her, Samantha lost 95 pounds and met a young man. She is now happier than she has ever been in her entire life!

LOSES 50 POUNDS AND GETS A MINK COAT—Joyce W. was 50 pounds overweight and suffered from high blood pressure, arthritis, and other ailments that kept her feeling sick most of the time. But after using OMNI-COSMICS power, she was able to lose those 50 pounds. Her health improved and she looked and felt like a new person. In fact, her husband was so proud of her new figure, he bought her a *mink coat* for her birthday!



OMNI-COSMICS RESPONDS AT ONCE!

Tap OMNI-COSMICS power *instantly* for it responds at once. You can use it, as others have, to avoid trouble, accidents and bad health . . . predict the future with 85-90 per cent accuracy . . . know when you are lucky . . . make the right decision when faced with many choices . . . and more!

With your OMNI-COSMICS ability, you will be able to tap into the spirit world and contact your loved ones, friends or people you want to meet to convey messages to you.
